EURONEXT NOTICE 1-01

Document subject

ENTRY INTO EFFECT OF THE EURONEXT RULE BOOK

INTRODUCTION

1. The new Rule Book shall enter into force on and from 20 May 2019.
2. The present Notice supersedes and replaces Notice 1-01 as amended and issued on 15 March 2019.

DETAILS

3. Euronext hereby publishes rulebook amendments corresponding to the availability in the central order book of new types of orders exempted from pre-trade transparency due to their Large-in-scale size. In the Rule Book these are called Large-in-scale orders but in operational documentation they are also referred to as Euronext Dark Large-in-scale orders. Rule 4204/3 dealing with transparency parameters is accordingly updated.
4. Rules 4203/4 and 4203/5 specify further the additional price conditions that can be assigned to such dark large-in-scale orders whereas Rule 4204/2/A mentions their possible specific quantity conditions.
5. Rule 4401/1 is supplemented to detail how the new orders can interact with the rest of the central order book or only between each other, as appropriate.
