Issuance Enhancements for Govies: Production release

To the attention of:	**Intermediaries, Issuers and their service providers**
Priority:	**Medium**
Topic:	**Issuance Enhancements for Govies: confirmation of the production release date**

Dear Client,

We are pleased to confirm that, starting from June 9, 2025, the ES-MIL implementations in support of BanK of Itay will be released into production for the launch of the new electronic platform for government bond auctions on the primary market (ISYDE).

Please note that the ES-MIL contribution to Bank of Italy does not entail any changes to our current settlement procedures, except for a "technical" update detailed in the documentation "Standard for XTRM Users – A2A and RNI Mode."

This documentation, available in both Italian and English, can be accessed in the MT-X Platform under: "Docs – Live Services – Documentazione tecnica – In uso – Titoli di Stato"
