Adaptation of alphanumeric CED security Code

To the attention of:	**Intermediaries, Issuers and their account operators**
Priority:	**Medium**
Topic:	**Start of testing**

Dear Client,

Following ON_20/2025 of 3 June 2025, we inform you that from Monday 20 October, in the test environment (T2/UTEST), for new financial instruments that will be created, the related Ced Code will be alphanumeric.

This adjustment is necessary to increase system performance.

We remind you that in the MT-X documentation section, under Documentation > Technical documentation > User formats - In progress > CED Code Adaptation, you can find the layouts that incorporate this change. We invite you to test, according to your business model, the messages containing the field in the new format in order to verify service continuity.

Below is a summary of the impacted messages:

- RNI mode: G50, G52 and G56
- A2A mode: Request for Entry/Amendment/Cancellation/H&R, Continuous Update Flow

The release of this change in the production environment will take place on 24 November 2025.
