5.1 CONDITIONS FOR ADMISSION TO THE EURONEXT GROWTH MARKET OPERATED BY EURONEXT DUBLIN

In addition to the requirements of Rule 3.1 and 3.2 (with the exception of 3.1.1(iii), 3.1.7, 3.2.1(iii) and 3.2.4.) of Part I of the Rules, Euronext Dublin may make the Admission of an Applicant subject to the below additional conditions :

Except where Securities of the same class are already Admitted, the expected aggregate market value of all

Securities (excluding Treasury Shares) to be admitted must be at least €5,000,000. Euronext Dublin may admit Securities of lower value if satisfied that there will be an adequate market for the Securities concerned. For the avoidance of doubt, paragraph 1 of Rule 3.2.1(ii) shall not apply to the Euronext Growth Market operated by Euronext Dublin.

Where matters are brought to the attention of Euronext Dublin which could affect an Applicant's appropriateness for Euronext Growth, it may delay an Admission. Euronext Dublin will inform the Applicant's Euronext Growth Advisor and may Notify RNS that it has asked the Applicant and its Euronext Growth Advisor to undertake further due diligence.

Guidance:

Euronext Dublin can impose a delay of no more than ten Business Days under Rule 5.1. At the end of this period, the Euronext Growth Advisor must decide whether and if so, when, to proceed.

SPECIAL CONDITIONS FOR CERTAIN APPLICANTS

5.2 LOCK-INS FOR NEW BUSINESSES

Where an Applicant's main activity is a business which has not been independent and earning revenue for at least two years, it must ensure that all Related Parties and Applicable Employees as at the date of Admission agree not to dispose of any interest in its Securities for one year from the Admission of its Securities.

This Rule will not apply in the event of an intervening court order, the death of a party who has been subject to this Rule or in respect of an acceptance of a take-over offer for the Issuer which is open to all Shareholders.

Guidance:

To minimise the risk of parties to lock-in arrangements subsequently being deemed to constitute concert parties under the Takeover Rules and Substantial Acquisition Rules, Applicants or their advisors may wish to consult the Irish Takeover Panel, 8 Upper Mount Street, Dublin 2 (+353 1 6789020) prior to drafting any lock-in agreement.

Euronext Dublin will not require a Substantial Shareholder to be the subject of a lock-in under Rule 5.2 where that Shareholder became a Substantial Shareholder at the time of an Issuer's Admission and at a price which was more widely available, for example as part of an offer to the public.

5.3 INVESTING COMPANIES

Where the Applicant is an Investing Company, a condition of its Admission is that it raises a minimum of €5 million in cash via an equity fundraising on, or immediately before, Admission.

An Investing Company must state and follow an Investing Policy.

An Investing Company must seek the prior consent of its Shareholders in a general meeting for any material change to its Investing Policy.

Where an Investing Company has not substantially implemented its Investing Policy within eighteen months of Admission, it should seek the consent of its Shareholders for its Investing Policy at its next

annual general meeting and on an annual basis thereafter, until such time that its Investing Policy has been substantially implemented.

Guidance:

The Investing Policy must be sufficiently precise and detailed so that it is clear, specific and definitive. The Investing Policy must be prominently stated in the Information Document and any subsequent circular relating to the Investing Policy, for example pursuant to Rules 5.3 or 5.19. The Investing Policy should be regularly Notified and at a minimum should be stated in the Investing Company's annual accounts.

The circular convening a meeting of Shareholders for the purposes of obtaining consent for a change in Investing Policy should contain adequate information about the current and proposed Investing Policy and the reasons for and expected consequences of any proposed change.

In making the assessment of what constitutes a material change to the published Investing Policy, consideration must be given to the cumulative effect of all the changes made since Shareholder approval was last obtained for the Investing Policy or, if no such approval has been given, since the date of Admission. Any material change to the specific points set out in the definition of Investing Policy is likely to constitute a material change requiring Shareholder consent.

In making the assessment of whether or not an Investing Company has substantially implemented its Investing Policy, Euronext Dublin would consider this to mean that the Investing Company has invested:

- a substantial portion (usually at least in excess of 50%) of all funds available to it, including funds available through agreed debt facilities;
- in a range of investments; and
- in accordance with its Investing Policy.

In relation to any requirement to obtain Shareholder approval of the Investing Policy in these Rules, if such Shareholder approval is not obtained, the Issuer would usually be expected to propose amendments to its Investing Policy and seek Shareholder approval for those amendments, as soon as possible. A resolving action such as the return of funds to Shareholders should be considered if consent is again not obtained. The Euronext Growth Advisor must keep Euronext Dublin informed if such a situation occurs. For the avoidance of doubt, if Shareholder approval for the change to Investing Policy is not obtained, the company's existing Investing Policy will continue to be effective.

For the avoidance of doubt Rule 3.3, 3.4 and 3.5 of Part I of the Rules do not apply to the Euronext Growth Market operated by Euronext Dublin.

If at any time after an Information Document is submitted and before the date of Admission there arises or is noted any material new factor, mistake or inaccuracy relating to the information included in the Information Document, a supplementary Information Document must be submitted containing details of such new factor, mistake or inaccuracy in accordance with the relevant part(s) of Schedule Two. For the avoidance of doubt, if the Information Document is a Prospectus, any supplementary document must comply with Irish Prospectus Law.

A Quoted Applicant must make the additional disclosures in its pre-admission announcement, which is

required by Rule 5.4 and the Supplement to Schedule One.

Where a Quoted Applicant is also making an offer to the public, whether in Ireland and/or other jurisdictions, it should satisfy itself that there are no legal or regulatory requirements outside these Rules which compel it to produce any form of Prospectus. Where there is a requirement for such a Prospectus, this should be made available to the public under paragraph (o) of Schedule One as if it were an Information Document.

5.6 FURTHER INFORMATION DOCUMENTS

A further Information Document will be required for an Issuer only when it is:

- (a) required to issue a Prospectus under Irish Prospectus Law for a further issue of Securities; or
- (b) seeking Admission for a new class of Securities; or
- (c) undertaking a reverse take-over under Rule 5.19.

5.7 OMISSIONS FROM INFORMATION DOCUMENTS

Pursuant to Rule 3.6.6(iv) of Part I of the Rules Euronext Dublin may authorise the omission of information from an Information Document or a further Information Document (other than a Prospectus) of an Applicant where its Euronext Growth Advisor confirms that:

- (a) the information is of minor importance only and not likely to influence assessment of the Applicant's assets and liabilities, financial position, profits and losses and prospects; or
- (b) disclosure of that information would be seriously detrimental to the Applicant and its omission would not be likely to mislead investors with regard to facts and circumstances necessary to form an informed assessment of the Applicant's Securities.

Guidance:

Where an Information Document or a further Information Document is also a Prospectus under Irish Prospectus Law, application for a derogation from any requirements under Irish Prospectus Law should be made to the Competent Authority. Euronext Dublin itself may not authorise exemptions from any requirement under Irish Prospectus Law.

Where the further Information Document is not a Prospectus, the information required under section 18 of Annex 1 may be omitted from the further Information Document at the Euronext Growth Advisor's discretion (in addition to the information listed in Schedule Two, paragraph (b)). The information covered by section 18 of Annex 1 (Financial Information Concerning the Issuer's Assets and Liabilities, Financial Position and Profits and Losses) will already be available to the market in the event of further Admission if the Issuer has complied with these Rules and therefore there is no need to duplicate that information in the further Information Document.

In such circumstances, the Euronext Growth Advisor to an Issuer must confirm to Euronext Dublin in writing that equivalent information is available publicly by reason of the Issuer's compliance with these Rules.

5.8 APPLICATION DOCUMENTS

At least three Business Days before the expected date of Admission, an Applicant or a Quoted Applicant must submit electronically to Euronext Dublin a completed Application Form and an electronic version of its Information Document in the case of an Applicant or its latest annual accounts in the case of a Quoted Applicant. These must be accompanied by the Euronext Growth Advisor's Declaration required by the Rules for Euronext Growth Advisors.

In lieu of Rule 3.6.5 of Part I of the Rules an Applicant or Quoted Applicant must submit electronically anti-money laundering customer due diligence documentation requested by Euronext Dublin prior to Admission becoming effective.

Guidance:

The Application Form, Euronext Growth Advisor's Declaration and a copy of the Information Document should be sent electronically to Euronext Dublin by the Euronext Growth Advisor.

The Euronext Growth Advisor should liaise with the Regulation Department of Euronext Dublin to confirm that any Admission conditions have been met.

5.9 APPLICATIONS FOR FURTHER ISSUES

At least three Business Days before the expected date of Admission of further Securities, an Issuer must submit electronically to Euronext Dublin an Application Form and where required by Rule 5.6, an electronic version of any further Information Document.

Where an Issuer intends to issue Securities on a regular basis, Euronext Dublin may permit Admission of those Securities under a Block Admission arrangement.

Under a Block Admission an Issuer must Notify the information required in Schedule Six every six months.

Guidance:

See Guidance under Rule 5.10 below in relation to unconditional allotment.

Applications for Block Admissions should be indicated as such in the "Nature of Admission" section of the Application Form.

A Block Admission cannot be used where the Securities to be issued under the Block Admission exceed more than 20% of the existing class of an Admitted Security.

Additionally, Block Admission can only be used in the following circumstances:

- employee share schemes;
- personal equity plans;
- dividend reinvestments plans;
- ordinary shares arising from the exercise of warrants; and
- ordinary shares arising from a class of convertible securities.

Where an Issuer wishes to use a Block Admission in circumstances outside of these it should contact the Regulation Department of Euronext Dublin to discuss.

It is the responsibility of the Issuer to ascertain whether a Prospectus is required under any Block Admission and the issue of Securities pursuant to a Block Admission.

ONGOING OBLIGATIONS

5.10 SECURITIES TO BE ADMITTED

Rule 3.2.2 of Part I of the Rules applies to any further issues of Securities.

Only Securities which have been unconditionally allotted can be Admitted as Euronext Growth Securities.

Guidance :

Confirmation of allotment must be received no later than 16.30 GMT on the Business Day prior to the intended date of Admission unless otherwise agreed by Euronext Dublin.

Euronext Dublin may require proof of allotment for any Securities which are being issued on Admission. A copy of the Applicant's board minutes allocating such Securities or confirmation from its Euronext Growth Advisor will suffice in most cases.

Allotted includes provisionally allotted Securities where such provisional allotments are unconditional. For example, nil paid rights must be allotted without condition (even if further action is required by the holders of provisional allotments to transform them into another class of Securities such as fully paid shares).

5.11 RETENTION OF A BROKER

An Issuer must retain a Broker at all times.

Guidance:

The Broker will, for all Issuer's for which it acts, use its best endeavours to find matching business if there is no registered market maker.

Any Member of Euronext may act as a Broker subject to any requisite authorisation by any other regulator.

A list of current Members is available on Euronext Dublin's website: www.ise.ie

5.12 PRINCIPLES OF DISSEMINATION

In lieu of Rule 4.1.3 of Part I of the Rules the below disclosure obligations apply to Issuers admitted to the Euronext Growth Market operated by Euronext Dublin.

The information which is required by these Rules (including financial reports as required in rules 5.14 and 5.15) must be Notified by the Issuer no later than it is published elsewhere. An Issuer must retain a Regulatory Information Service provider to ensure that information can be Notified as and when required. The information shall remain online for five (5) years following the date of publication and shall be posted at the same time as it is published in any other media.

An Issuer must take reasonable care to ensure that any information it Notifies is not misleading, false or deceptive and does not omit anything likely to affect the import of such information.

It will be presumed that information Notified to a Regulatory Information Service is required by these Rules or other legal or regulatory requirements, unless otherwise designated.

Guidance:

Where it is proposed to announce at any meeting of Shareholders information which might lead to significant movement in the price of those Securities, arrangements must be made for Notification of that information so that the disclosure at the meeting is made no earlier than the time at which the information is Notified.

5.13 DISSEMINATION PROCESS AND PROCEDURES

An Issuer must have proper processes and procedures in place to enable it to make correct, accurate and timely Notifications of information required under these Rules.

Guidance:

The purpose of this Rule is to ensure a fair and orderly market by requiring Issuer's to have processes and procedures in place to make prompt, correct and accurate disclosures of information to the market.

5.14 PERIODIC DISCLOSURE OBLIGATIONS - HALF-YEARLY REPORT

Rule 4.2.1 of Part I of the Rules apply. However, all such reports must be Notified without delay and in any event not later than three months after the end of the relevant period.

Guidance:

The information contained in a half-yearly report must include at least a balance sheet, an income statement, a cash flow statement and must contain comparative figures for the corresponding period in the preceding financial year (apart from the balance sheet which may contain comparative figures from the last balance sheet Notified). Additionally the half-yearly report must be presented and prepared in a form consistent with that which will be adopted in the Issuer's annual accounts having regard to the accounting standards applicable to such annual accounts.

Where the half yearly report has been audited it must contain a statement to this effect.

In relation to Rule 5.14, the financial period to which financial information has been disclosed in its Information Document may be the financial period of the main trading subsidiary of the Issuer, for example, where the Issuer is a holding company. The Euronext Growth Advisor should contact the Regulation Department of Euronext Dublin if there is any uncertainty as to the reporting timetable required by these Rules.

Euronext Dublin will suspend Issuer's which are late in publishing their half-yearly statement or their annual accounts, pursuant to Rule 5.28.

Where an Issuer wishes to change its accounting reference date its Euronext Growth Advisor should contact the Regulation Department of Euronext Dublin to discuss the revised reporting timeframe.

An Issuer should prepare and Notify a second half-yearly report in accordance with Rule 5.14, if the effect of the change to the accounting reference date is to extend its accounting period to more than 15 months. This should be agreed in advance with the Regulation Department of Euronext Dublin.

Euronext Dublin encourages all Issuer's to use International Financial Reporting Standards (IFRS) both on admission and in the preparation of all post-Admission financial information.

The choice of accounting standard should be consistently implemented and any change between those standards available to a particular Issuer should only be made with the prior approval of the Regulation Department of Euronext Dublin.

In respect of each Issuer, the term 'parent' should be interpreted in accordance with applicable law. Any other queries over interpretation of these provisions should be addressed by the Euronext Growth Advisor to the Regulation Department of Euronext Dublin at the earliest opportunity.

Subject to its constitution and any legal requirements in its jurisdiction of incorporation, an Issuer is able to satisfy the requirement in Rule 5.15 to send accounts to Shareholders by sending such accounts by electronic communication to Shareholders:

- (a) in compliance with the requirements of the Companies Act 2014 or
- (b) providing the following requirements have been satisfied:
 - (i) a decision to use electronic communication to Shareholders has been approved by Shareholders in a general meeting of the Issuer;
 - (ii) appropriate identification arrangements have been put in place so that the Shareholders are effectively informed; and
 - (iii) Shareholders individually:
 - have been contacted in writing to request their consent to receive accounts by means of electronic communication and if they do not object within twenty eight days, their consent can be considered to have been given;
 - are able to request at any time in the future that accounts be communicated to them in writing; and
 - are contacted alerting them to the publication of the accounts on an Issuer's website.

5.15 PERIODIC DISCLOSURE OBLIGATIONS – ANNUAL REPORT

Rule 4.2.1 of Part I of the Rules apply. However, an Issuer must publish annual audited accounts which must be sent to its Shareholders without delay and in any event not later than six months after the end of the financial year to which they relate.

In addition to the list of acceptable accounting standards in Rule 3.2.3 of Part I of the Rules, Australian International Financial Reporting Standards (as issued by the Australian Accounting Standards Board) is also acceptable.

The accounts produced in accordance with this Rule must provide disclosure of:

- (a) any transaction with a Related Party, whether or not previously disclosed under these Rules, where any of the Class Tests exceed 0.25% and must specify the identity of the Related Party and the consideration for the transaction; and

- (b) details of Directors' Remuneration earned in respect of the financial year by each Director of the Issuer acting in such capacity during the financial year.

Guidance:

Note Guidance from Rule 5.14

Rule 4.2.2 of part I of the Rules does not apply to the Euronext Growth Market operated by Euronext Dublin.

5.16 PUBLICATION OF DOCUMENTS SENT TO SHAREHOLDERS

In addition to Rule 4.4.1 of Part I of the Rules any such document must be made available pursuant to Rule 5.26 without delay, and an electronic copy must be sent to Euronext Dublin.

Guidance:

"Any document" includes the annual audited accounts produced pursuant to Rule 5.15.

Any document referred to in Rule 5.16 should be sent electronically to the Regulation Department of Euronext Dublin.

DISCLOSURE OF CORPORATE TRANSACTIONS

5.17 SUBSTANTIAL TRANSACTIONS

A substantial transaction is one which exceeds 10% in any of the Class Tests. It includes any transaction by a subsidiary of the Issuer but excludes any transactions of a revenue nature in the ordinary course of business and transactions to raise finance which do not involve a change in the fixed assets of the Issuer or its subsidiaries.

An Issuer must issue Notification without delay as soon as the terms of any substantial transaction are agreed, disclosing the information specified by Schedule Four.

Guidance:

Note the definition of a substantial transaction is different from that of a Related Party transaction.

A transaction under this Rule includes non pre-emptive issues of Securities.

5.18 RELATED PARTY TRANSACTIONS

This Rule applies to any transaction whatsoever with a Related Party which exceeds 5% in any of the Class Tests.

An Issuer must issue Notification without delay as soon as the terms of a transaction with a Related Party are agreed disclosing:

- (a) the information specified by Schedule Four;

- (b) the name of the Related Party concerned and the nature and extent of their interest in the transaction; and
- (c) a statement that with the exception of any Director who is involved in the transaction as a Related Party, its Directors consider, having consulted with its Euronext Growth Advisor, that the terms of the transaction are fair and reasonable insofar as its Shareholders are concerned.

Guidance:

Note guidance under Rule 5.17

5.19 REVERSE TAKE-OVERS

A reverse take-over is any acquisition or acquisitions in a twelve month period which for an Issuer would:

- (a) exceed 100% in any of the Class Tests; or
- (b) result in a fundamental change in its business, board or voting control; or
- (c) in the case of an Investing Company, depart materially from its Investing Policy (as stated in its Information Document or approved by Shareholders in accordance with these Rules).

Any agreement which would effect a reverse take-over must be:

- (a) conditional on the consent of its Shareholders being given in general meeting;
- (b) Notified without delay disclosing the information specified by Schedule Four and insofar as it is with a Related Party, the additional information required by Rule 5.18; and
- (c) accompanied by the publication of an Information Document in respect of the proposed enlarged entity and convening the general meeting.

Where Shareholder approval is given for the reverse take-over, trading in the Securities of the Issuer will be cancelled. If the enlarged entity seeks Admission, it must make an application in the same manner as any other Applicant applying for Admission of its Securities for the first time.

Guidance:

The Information Document must be made available to the public under Rule 5.26.

An Issuer is able to send an Information Document (subject to any other applicable regulations, including under Irish Prospectus Law where it is a Prospectus) to Shareholders in compliance with this Rule if it is sent by electronic communication in compliance with the applicable guidance notes to Rules 5.14 and 5.15, together with the notice of the Shareholder meeting required by Rule 5.19.

Following the announcement of a reverse takeover that has been agreed or is in contemplation, the relevant Admitted Securities will be suspended by Euronext Dublin until the Issuer has published an Information Document in respect of the proposed enlarged entity unless the target is a Listed company or another Issuer.

It should be noted that Euronext Dublin expects the negotiations leading to a reverse takeover to be kept confidential, as allowed by the guidance to Rule 5.13, until the point at which the Issuer can Notify that a binding agreement that effects a reverse takeover has been entered into, which should, as far as is possible, be accompanied by the publication of the requisite Information Document. If for any reason this is

not possible, the Euronext Growth Advisor should seek the advice of Euronext Dublin at the earliest opportunity.

If the new entity wishes its Securities to be Admitted, it will need to issue a ten day announcement pursuant to Rule 5.4. In addition, it will need to submit a further fee, an electronic version of its Information Document, a Euronext Growth Advisor's Declaration and an Application Form at least three Business Days prior to Admission pursuant to Rule 5.8 and abide by all other requirements to which an Applicant may be subject under these Rules.

However, the new entity may make application in advance of the general meeting so that its Securities are Admitted on the day after the general meeting which approves the reverse take-over.

5.20 FUNDAMENTAL CHANGE OF BUSINESS

Any disposal by an Issuer which, when aggregated with any other disposal(s) over the previous twelve months, exceeds 75% in any of the Class Tests, is deemed to be a disposal resulting in a fundamental change of business and must be:

- (a) conditional on the consent of its Shareholders being given in general meeting;
- (b) Notified without delay disclosing the information specified by Schedule Four and insofar as it is with a Related Party, the additional information required by Rule 5.18; and
- (c) accompanied by the publication of a circular containing details of the disposal and any proposed change in business together with the information specified above and convening the general meeting.

Divestment or Cessation

- Where the effect of the proposed disposal is to divest the Issuer of all, or substantially all, of its trading business, activities or assets; and/or
- Where an Issuer takes any other action, the effect of which is that it will cease to own, control or conduct all, or substantially all, of its existing trading business, activities or assets (in which case such action should be Notified without delay and include all relevant information that Shareholders may require)

upon completion of the disposal or action, the Issuer will be regarded as a Euronext Growth Rule 5.20 Cash Shell.

Within six months of becoming a Euronext Growth Rule 5.20 Cash Shell, the Issuer must make an acquisition or acquisitions which constitutes a reverse takeover under Rule 5.19. For the purposes of this Rule only, becoming an Investing Company pursuant to Rule 5.3 (including the associated raising of funds as specified in Rule 5.3) will be treated as a reverse takeover and the provisions of Rule 5.19 will apply including the requirement to publish an Information Document.

Guidance:

The consent of Shareholders for a disposal may not be required where it is as a result of insolvency proceedings. Euronext Dublin should be consulted in advance in such circumstances.

The Euronext Growth Advisor must inform Euronext Dublin when an Issuer for which it acts becomes a Euronext Growth Rule 5.20 Cash Shell or there is a possibility that it has become a Euronext Growth Rule

5.20 Cash Shell. Where there is any question as to whether an Issuer has become a Euronext Growth Rule 5.20 Cash Shell or the point at which it becomes a Euronext Growth Rule 5.20 Cash Shell, Euronext Dublin must be consulted as soon as possible.

Where an Euronext Growth Rule 5.20 Cash Shell does not intend or wish to undertake a reverse takeover in accordance with Rule 5.20, it should seek to cancel its Admission in accordance with Rule 5.29 (in the case of a disposal requiring Shareholder consent under this Rule, this should most usually occur concurrently with the Shareholder approval required for the disposal). In such circumstances, the Issuer, taking the advice of its Euronext Growth Advisor, should consider whether funds should concurrently be returned to Shareholders, seeking the approval of Shareholders where appropriate or necessary.

Where, within six months, a Euronext Growth Rule 5.20 Cash Shell does not complete a reverse takeover as set out in Rule 5.20, Euronext Dublin will suspend trading in the Securities pursuant to Rule 5.28.

5.21 AGGREGATION OF TRANSACTIONS

Transactions completed during the twelve months prior to the date of the latest transaction must be aggregated with that transaction for the purpose of determining whether Rules 5.15, 5.17, 5.18 and/or 5.19 apply where:

- (a) they are entered into by the Issuer with the same Person or Persons or their families; or
- (b) they involve the acquisition or disposal of Securities or an interest in one particular business; or
- (c) together they lead to a principal involvement in any business activity or activities which did not previously form a part of the Issuer's principal activities.

Guidance:

Euronext Dublin will only consider that an Issuer has 'a principal involvement in any business activity or activities which did not previously form a part of the Issuer's principal activities' where collectively a Class Test for any twelve month period exceeds 100%. In cases of doubt Euronext Dublin should be consulted.

5.22 DISCLOSURE OF MISCELLANEOUS INFORMATION

Rule 4.3.1 of Book I of the Rules will not apply to Issuers admitted to the Euronext Growth Market operated by Euronext Dublin.

In addition to the requirements of Rule 4.5.1 of Part I of the Rules, an Issuer must issue Notification without delay of:

- (a) any Relevant Changes to any Significant Shareholders, disclosing, insofar as it has such information, the information specified by Schedule Five;
- (b) the resignation, dismissal or appointment of any Director, giving the date of such occurrence and for an appointment, the information specified by Schedule Two, paragraph (g) and any shareholding in the company;
- (c) any change in its accounting reference date;
- (d) any change in its registered office address;
- (e) any change in its legal name;

- (f) any material change between its actual trading performance or financial condition and any profit forecast, estimate or projection included in the Information Document or otherwise made public on its behalf;
- (g) any decision to make any payment in respect of its Admitted Securities specifying the net amount payable per security, the payment date and the Record Date;
- (h) the reason for the application for Admission or cancellation of any Securities and consequent number of Securities in issue;
- (i) the occurrence and number of Shares taken into and out of treasury, as specified by Schedule Seven;
- (j) the resignation, dismissal or appointment of its Euronext Growth Advisor or Broker;
- (k) any change in the website address at which the information required by Rule 5.26 is available;
- (l) any subsequent change to the details disclosed pursuant to sub-paragraphs (iii) to (viii) inclusive of paragraph (g) of Schedule Two, whether such details were first disclosed at Admission or on subsequent appointment;
- (m) the admission to trading (or cancellation from trading) of the Admitted Securities (or any other Securities issued by the Issuer) on any other exchange or trading platform, where such admission or cancellation is at the application or agreement of the Issuer. This information must also be submitted separately to Euronext Dublin.

Guidance:

- (a) For Irish registered companies compliance with Chapter 4 of Part 17 of the Companies Act 2014 provides a mechanism to assist in complying with rule 5.22 insofar as changes to the Holdings of Significant Shareholders are concerned. Note, though, the obligation on an Issuer under Rule 5.22 to disclose such information without delay.
- (b) Any changes in the number of Shares in issue requires liaison with CAO of Euronext Dublin so that they can arrange for the appropriate market notice to be released.
- (c) Where an Issuer needs to notify the loss of its Euronext Growth Advisor it should first liaise with the Regulation Department of Euronext Dublin so that where no replacement Euronext Growth Advisor has been appointed the necessary suspension pursuant to Rule 5.27 may be put in place to coincide with the Notification.
- (d) Where an Issuer changes its legal name it should send electronically a copy of any change of name certificate to Euronext Dublin.
- (e) The Notification in relation to the trading of Issuer Securities on any other exchange or platform should include details of which exchange or platform (including details of any segment, tier or similar) and which Securities this relates to.

5.23 DEALING POLICY

An Issuer must have in place from Admission a reasonable and effective dealing policy setting out the requirements and procedures for Directors' and Applicable Employees dealings in any of its Securities. At a minimum, an Issuer's dealing policy must set out the following:

- (a) the Issuer's close periods during which Directors and Applicable Employees cannot deal;

- (b) when a Director or Applicable Employee must obtain clearance to deal in the Admitted Securities of the Issuer;
- (c) an appropriate person(s) within the Issuer to grant clearance requests;
- (d) procedures for obtaining clearance for dealing;
- (e) the appropriate time frame for a Director or Applicable Employee to deal once they have received clearance;
- (f) how the Issuer will assess whether clearance to deal may be given; and
- (g) procedures on how the Issuer will notify deals required to be made public under MAR.

Guidance:

Compliance with Rule 5.23 does not mean that an Issuer will have satisfied its obligations under Article 19 of MAR.

In determining whether it is appropriate to give clearance under its dealing policy, Euronext Dublin would expect an Issuer to consider its wider obligations under MAR.

Euronext Dublin would expect an Issuer to appoint an individual of sufficient seniority to grant clearance requests. The procedures should also give consideration as to an alternate person where such person is not independent in relation to a clearance request.

5.24 ISSUER AND DIRECTORS' RESPONSIBILITY FOR COMPLIANCE

An Issuer must:

- (a) have in place sufficient procedures, resources and controls to enable it to comply with these Rules;
- (b) seek advice from its Euronext Growth Advisor regarding its compliance with these Rules whenever appropriate and take that advice into account;
- (c) provide its Euronext Growth Advisor with any information it reasonably requests or requires in order for that Euronext Growth Advisor to carry out its responsibilities under these Rules and the Rules for Euronext Growth Advisors, including any proposed changes to the board of Directors and provision of draft Notifications in advance;
- (d) ensure that each of its Directors accepts full responsibility, collectively and individually, for its compliance with these Rules; and
- (e) ensure that each Director discloses to the Issuer without delay all information which the Issuer needs in order to comply with Rule 5.22 insofar as that information is known to the Director or could with reasonable diligence be ascertained by the Director.

Guidance:

Notwithstanding the provisions set out in this Rule, each Euronext Growth Advisor should include in its engagement letter or Euronext Growth Advisor agreement with each Issuer for which it acts details of what it requires from such company.

5.25 PROVISION AND DISCLOSURE OF INFORMATION

In addition to Rule 4.9 of Part I of the Rules Euronext Dublin may also require the Issuer to publish such information it has requested.

For the avoidance of doubt, where Euronext Dublin has jurisdiction pursuant to Rule 5.32, Rule 5.25 shall continue to apply to a company which ceases to have a class of Securities Admitted to trading on Euronext Growth, as if it were an Issuer.

Guidance:

The Issuer must use all due skill and care to ensure that information provided to Euronext Dublin pursuant to this Rule is correct, complete and not misleading.

If it comes to the subsequent attention of the Issuer that information provided does not meet this requirement, the Issuer should advise Euronext Dublin as soon as practicable.

All communications between Euronext Dublin and an Issuer are confidential to Euronext Dublin and its Euronext Growth Advisor and should not be disclosed without the consent of Euronext Dublin, save to appropriate advisors to the Issuer or as required by any other regulatory body or agency.

5.26 COMPANY INFORMATION DISCLOSURE – RULE 26

Each Issuer must from Admission maintain a website on which the following information should be available, free of charge:

- (a) a description of its business and, where it is an Investing Company, its Investing Policy and details of any Investment Manager and/or key personnel;
- (b) the names of its Directors and brief biographical details of each, as would normally be included in an Information Document;
- (c) a description of the responsibilities of the members of the board of Directors and details of any committees of the board of Directors and their responsibilities;
- (d) its country of incorporation and main country of operation;
- (e) where Issuer is not incorporated in Ireland, a statement that the rights of Shareholders may be different from the rights of Shareholders in an Irish incorporated company;
- (f) its current constitutional documents (e.g. its articles of association);
- (g) details of any other exchange or trading platforms on which the Issuer has applied or agreed to have any of its Securities (including its Admitted Securities) admitted or traded;
- (h) the number of Admitted Securities in issue (noting any held as Treasury Shares) and, insofar as it is aware, the percentage of Admitted Securities that are Not In Public Hands together with the identity and percentage holdings of its significant Shareholders. This information should be updated at least every six months and the website should include the date on which this information was last updated;
- (i) details of any restrictions on the transfer of its Admitted Securities;
- (j) the annual accounts published pursuant to Rule 5.15 for the last three years or since Admission, whichever is the lesser, and all half-yearly, quarterly or similar reports published since the last annual accounts pursuant to Rule 5.14;

- (k) all Notifications the Issuer has made in the past twelve months;
- (l) its most recent Information Document together with any circulars or similar publications sent to Shareholders within the past twelve months;
- (m) details of the corporate governance code that the Issuer has decided to apply, how the Issuer complies with that code, or if no code has been adopted this should be stated together with its current corporate governance arrangements;
- (n) whether the Issuer is subject to the Takeover Rules of the Irish Takeover Panel, or any other such legislation or code in its country of incorporation or operation, or any other provisions it has voluntarily adopted; and
- (o) details of its Euronext Growth Advisor and other key advisors (as might normally be found in an information document).

Guidance:

The information required by this Rule should be kept up-to-date and the last date on which it was updated should be included. The information should be easily accessible from one part of the website and a statement should be included that the information is being disclosed for the purposes of Rule 26. Any redirection of a user to other areas of a website or to a document included on the website should be to a specific location for that information. Users should not have to enter search criteria in order to locate information.

The website where this information is available should be the company's website, although it is acknowledged that such a site may be hosted by a third party provider.

The requirement to disclose restrictions on the transfer of Shares relates to the disclosure of jurisdictional exemptions or restrictions that an Issuer is seeking to make use of and that may operate by virtue of non-Irish securities laws, such as the US Securities Act 1933 or similar (noting, however, the requirements of Rule 3.1.4 of Part I of the Rules).

An Issuer should take appropriate legal advice on how to make available any Prospectus, Information Document, circular or similar Shareholder publication in compliance with this Rule so as not to infringe any securities laws that may apply to it.

The disclosure of information in relation to the trading of an Issuer's Securities on any other exchange or trading platform should include details which exchange or platform (including details of any segment, tier or similar) and which Securities this relates to.

“main country of operation” should be interpreted as the geographical location from which the Issuer derives (or intends to derive) the largest proportion of its revenues or where the largest proportion of its assets are (or will be) located, as is most appropriate depending on the business of the company.

Pursuant to the Finance Bill 2014 in the UK, UK stamp duty and the stamp duty reserve tax are not chargeable on transactions in securities admitted to trading on the Euronext Growth Market operated by Euronext Dublin of UK incorporated companies provided that they are not also listed on a Recognised Stock Exchange (as defined in section 1005(3)-(5) Income Tax Act 2007). If the Issuer lists on a Recognised Stock Exchange or ceases to be listed on such an exchange, Euronext Dublin would remind the Issuer that, in addition to updating its website, Euroclear requires the Issuer to inform it of these changes without delay

as they are likely to impact its stamp duty reserve tax status. Euroclear can be contacted in relation to this at: growthmarketstampexemption@euroclear.com

5.27 EURONEXT GROWTH ADVISOR

Rule 3.1.7 ,4.7 and Appendix IV of Part I of the Rules in relation to a Listing Sponsor will not apply to the Euronext Growth Market operated by Euronext Dublin.

In order to be eligible for the Euronext Growth Market operated by Euronext Dublin , an Applicant must appoint a Euronext Growth Advisor and an Issuer must retain a Euronext Growth Advisor at all times.

The Euronext Growth Advisor is responsible to Euronext Dublin for assessing the appropriateness of an Applicant for the Euronext Growth Market operated by Euronext Dublin, or an existing Issuer when appointed as a Euronext Growth Advisor, and for advising and guiding an Issuer on its responsibilities under these Rules.

The responsibilities of Euronext Growth Advisors are set out in the Rules for Euronext Growth Advisors. A Euronext Growth Advisor must comply with those rules.

If an Issuer ceases to have a Euronext Growth Advisor Euronext Dublin will suspend trading in its Securities. If within one month of that suspension the Issuer has failed to appoint a replacement Euronext Growth Advisor, the Admission of its Securities will be cancelled.

Guidance:

Euronext Growth Advisors must be approved by Euronext Dublin. A copy of the Register of approved Euronext Growth Advisors is available on Euronext Dublin's website, www.ise.ie.

An Issuer can only retain the services of one Euronext Growth Advisor at any one time.

Where an Issuer needs to Notify the loss of its Euronext Growth Advisor it should first liaise with the Regulation Department of Euronext Dublin so that where no replacement has been appointed the necessary suspension may be put in place to coincide with the Notification.

Where a new Euronext Growth Advisor is appointed a Notification will be required under Rule 5.22 and a new Euronext Growth Advisor's Declaration should be submitted to Euronext Dublin pursuant to the Rules for Euronext Growth Advisors.

MEASURES

5.28 PRECAUTIONARY SUSPENSION

In addition to Rule 7.3.1(iv) of Part I of the Rules Euronext Dublin may suspend the trading of Admitted Securities where:

- (a) trading in those Securities is not being conducted in an orderly manner
- (b) the protection of investors so requires;
- (c) the integrity and reputation of the market has been or may be impaired by dealings in those Securities;
or
- (d) it is directed to do so by the Central Bank.

Rule 7.1, 7.2, 7.3.1(i)-(iii) and 7.4 of Part I of the Rules do not apply to the Euronext Growth Market operated by Euronext Dublin.

Suspensions are effected by a market notice.

Guidance:

The general principle applied by Euronext Dublin when considering requests for a suspension of trading in Securities is that interruptions to trading should be kept to a minimum.

An Issuer should request a suspension in circumstances where it is required under these Rules to make a notification but is unable to comply with its obligations under rule 5.12 (having used all reasonable endeavours to do so). Any such suspension is at the discretion of Euronext Dublin. Euronext Dublin will not suspend the trading in Admitted Securities if it is not satisfied that the circumstances justify suspension.

Should Euronext Dublin accept the request for suspension, the Issuer must make a Notification stating the reason for suspension to the fullest extent possible.

An Issuer, while suspended, must continue to comply with these Rules.

Euronext Dublin may impose conditions on the lifting of suspension as it considers appropriate. Once the circumstances leading to the suspension have been resolved or clarified sufficiently for the Issuer to make a Notification that informs the market about relevant matters, such a Notification should be made without delay. Restorations are effected by a market notice.

5.29 CANCELLATION

In addition to Rule 5.1.1 of Part I of the Rules Euronext Dublin will cancel the Admission of Securities where these have been suspended from trading for six months.

For the avoidance of doubt, a request from an Issuer for cancellation of its Admitted Securities under Rule 5.1.1(i) of Part I of the Rules shall follow the below procedure in lieu of Rule 5.1.4 of Part I of the Rules.

An Issuer which wishes Euronext Dublin to cancel Admission of its Securities must Notify such intended cancellation and must separately inform Euronext Dublin of its preferred cancellation date at least twenty Business Days prior to such date and save where Euronext Dublin otherwise agrees, the cancellation shall be conditional upon the consent of not less than 75% of votes cast by its Shareholders given in a general meeting.

Cancellations are effected by a market notice.

Guidance:

An Issuer should state the reason for cancellation in its Notification. Euronext Dublin should be informed of the intended cancellation by telephone and by email from the Euronext Growth Advisor.

The period of twenty Business Days is a minimum. Where earlier communication is sent to Shareholders convening such a meeting, an Issuer must Notify that such meeting has been convened without delay. The Notification should set out the preferred date of cancellation, the reasons for seeking the cancellation, a description of how Shareholders will be able to effect transactions in the Securities once they have been cancelled and any other matter relevant to Shareholders reaching an informed decision upon the issue of the cancellation.

For the avoidance of doubt, the threshold of 75% set out in this Rule refers to the percentage of votes cast (rather than 75% of the class) in respect of each class of Admitted Security. Consent may be granted through Shareholders voting in person or by proxy at a general meeting.

Circumstances where Euronext Dublin might otherwise agree that Shareholder consent in general meeting is not required would be where:

- (a) the Admitted Securities are already or will be admitted to trading on an EU Regulated Market or Eligible Market (as detailed in Appendix 1 of the Rules) to enable Shareholders to trade their Admitted Securities in the future; or
- (b) pursuant to a takeover which has become wholly unconditional, an offeror has received valid acceptances in excess of 75% of each class of Admitted Securities; or
- (c) pursuant to a takeover effected by a scheme of arrangement that has been approved by Shareholders at a general meeting and subsequently sanctioned by the courts.

Cancellation will not take effect until at least five Business Days have passed since Shareholder approval has been obtained and a market notice has been issued.

SANCTIONS AND APPEALS

5.30 DISCIPLINARY ACTION AGAINST AN ISSUER

If Euronext Dublin considers that an Issuer has contravened these Rules and considers it appropriate to impose any sanction as set out in Rules 5.30 and 5.31 it will refer the matter to the Disciplinary Committee, save where the Issuer or Director concerned agrees to a private censure by Euronext Dublin and Euronext Dublin considers that to be the appropriate sanction.

If the Disciplinary Committee find that these Rules have been contravened by an Issuer it may do one or more of the following:

- (a) censure the Issuer and, in addition, it may publish such censure; or
- (b) suspend or cancel the admission of the Issuer's Securities, or any class thereof.

5.31 DISCIPLINARY ACTION AGAINST A DIRECTOR

If the Disciplinary Committee find that any contravention of these Rules is due to a failure of all or any of the Issuer's Directors to discharge their responsibilities under these Rules it may censure the relevant Director and, in addition, it may publish such censure. Further in the case of wilful or persistent failure by a Director to discharge his responsibilities following such a censure, the Disciplinary Committee may state publicly that in its opinion the retention of office by the Director is prejudicial to the interests of investors and if the Director remains in office following such a statement the Disciplinary Committee may suspend or cancel the Admission of the Issuer's Securities, or any class of its Securities.

5.32 JURISDICTION

When an Issuer ceases to have a class of Securities Admitted to trading on the Euronext Growth Market operated by Euronext Dublin, Euronext Dublin retains jurisdiction over the company for the purpose of investigating and taking disciplinary action in relation to breaches or suspected breaches of these Rules at a time when that company was an Applicant or had a class of Securities Admitted to trading on the Euronext Growth Market operated by Euronext Dublin.

5.33 DISCIPLINARY PROCESS

Where the Disciplinary Committee proposes to take any of the steps described in Rules 5.30 and 5.31 it will follow the disciplinary procedures as laid down by Euronext Dublin.

5.34 APPEALS

Any decision of the Disciplinary Committee emanating from the disciplinary procedures may be appealed to the Appeals Committee in accordance with the appeals procedures as laid down by Euronext Dublin.
