N° 2005 – 2976

**Changement de la nomenclature sectorielle
Passage à la nomenclature ICB dite Industry Classification Benchmark**

**Change of the sector based classification
Adoption of the ICB Industry Classification System**

Euronext publie la classification indicative des valeurs cotées sur ses marchés selon la nomenclature ICB dite « Industry Classification Benchmark ». Ce classement prendra effet le 2 janvier 2006, date à compter de laquelle l'ensemble des sociétés cotées sur Euronext sera répertorié sur cette base. Cette nomenclature sectorielle remplacera la nomenclature FTSE dite « FTSE Global Classification System ». D'ici au 2 janvier 2006, les valeurs seront répertoriées selon les deux nomenclatures.

Ce document sera consultable sur le site internet d'Euronext à compter du 18 juillet 2005 sous la rubrique : www.euronext.com > Pour nos clients > Organisation > Passage à la classification ICB (en français)

Euronext publishes the indicative classification of the companies listed on its markets according to ICB "Industry Classification Benchmark". This classification will be definitively implemented on January 2nd, 2006 where all the companies listed on Euronext will be classified according to this classification. This sectorial classification will replace the FTSE one "FTSE Global Classification System". Until January 2nd, 2006, the companies will be classified under both classifications.

This document will be available on Euronext web site as of July 18th 2005 under www.euronext.com > For our clients > Market Organisation > Switch to ICB classification (en anglais)
