Lancement de la nouvelle gamme d'indices Euronext Paris Launch of the new range of Euronext Paris indices

Indices Euronext

Euronext Paris fait savoir que le lancement de la nouvelle gamme d'indices composée des indices CAC Next20 , CACMid100, CAC Small90, CAC Mid&Small190 et CAC IT20 aura lieu le **3 janvier 2005**.

Comme précédemment annoncé, le lancement de l'indice All-Shares est prévu pour le second semestre 2005.

La liste des nouveaux indices calculés à partir du 3 janvier 2005, ainsi que la composition des échantillons sont précisés dans les tableaux ci-après.

Ces indices sont pondérés par la capitalisation flottante depuis le 1^{er} décembre 2004. Leur base est fixée à 3000 au 31/12/2002, et un historique des niveaux d'indices depuis le 31/12/1998 est disponible sur le site Internet www.euronext.com.

Euronext Indices

Euronext Paris announces that the new range of French indexes composed of CAC Next20, CAC Mid100, CAC Small90, CAC Mid&Small190 and the CAC IT20 will be launched on January 3rd, 2005. As previously stated, the All-shares index will be launched in the second half of 2005.

The new indices that will be calculated from January 3rd, 2005, and the composition of their respective samples are presented underneath.

The new indices are free float market capitalisation-weighted since December 1st 2004. The base level of the indexes on December 31st, 2002 equals 3000. The historical data of these new indices are available on the web site « www.euronext.com » daily back to December 31st, 1998.
