

● Project: Alternext All-Share Index

> **Alternext All-Share index to be launched in September 2006**

Euronext is pleased to announce the launch of a new index based on the Alternext market, the '**Alternext All-Share Index**', which will be launched on **4 September 2006**.

Representing all the companies listed on Alternext, the Alternext index will be a valuable tool for investors specialising in small and midcap stocks. It will also act as an additional element in the promotion of Alternext-listed companies within the wider financial community.

Alternext, the Euronext market dedicated to small and medium-sized business, currently counts 55 companies, of which 52 are listed in Paris and 3 in Brussels. All IPOs on Alternext Amsterdam, the launch of which is planned for the second half of this year, will also be included in the Alternext All-Share Index.

Index specifications are as follows:

**Name:** Alternext All-Share Index
