

## > Trade valuation formula for Clearing 21<sup>®</sup>

Euronext informs trading customers that a new document, 'Trade valuation formula used in Clearing 21<sup>®</sup>', is now available on the [CleARNET website](#).

This document describes how to evaluate a trade amount depending on the quotation mode and the Euronext cash segment.

Should you have any questions, please do not hesitate to contact your CleARNET account manager.

Kind regards,

Euronext Cash Market
