

> Updated version of Specifications for SLE access to NSC-VE, NSC-VW and NSC-VL applications

Euronext informs customers that the specifications for SLE access to NSC-VE, NSC-VW and NSC-VL applications have been updated to correct an error in the confirmation of reference price change message 0303 (chapter 4.20 of the document).

The [new version](#) of the specifications, version 7.9, is now available on the euronext.com website.

Kind regards,

Euronext Cash Market
