

## ● Project: Lisbon Migration

### > New timetable

Further to the info-flash sent on 17 October 2003 announcing that the tests required before the migration of the Euronext Lisbon Cash Market to the Euronext single trading and clearing systems will be extended by two weeks, we inform you of the following new timetable:

- **From 20 October 2003 to 6 November 2003:** free testing on the Euronext Lisbon segment universe

- **On 22 October 2003:** release of two documents:

- Full chain test guide

This document describes the scenario, the dedicated securities, the different test phases, the dates when they are scheduled, and the type of tests that will be conducted during the full chain test from 24 October to 28 October 2003.

- NSC EMM migration in Lisbon: Launch strategy for Friday 07/11/2003

This document describes the scenario of the switch from LIST to NSC trading system.

- **From 24 October 2003 to 28 October 2003:** full chain testing on dedicated securities (settlement test period will be from 29 October 2003 to Friday 31 October 2003)
- **On 24 October 2003:** first dissemination on production environment of Init evening messages (referential messages 253 and 453) on Euronext Lisbon segment securities but the access of Portuguese securities will be forbidden for trading on NSC until 7 November 2003

Kind regards,

Euronext Cash Market
