

Banco Santander de Negócios Portugal S.A.

Banco Santander de Negócios Portugal, S.A., the investment bank of Santander Totta, provides a wide range of services to institutional clients, including order routing (with a leading ISV, either through the internet or a dedicated line) to various futures and options markets.

Our direct trading proposal allows you namely to:

- cover, if so desired, both the derivatives and the cash markets
- access various markets
- introduce a wide range of order types, e.g. first limit, seek limit, best first, FoK, EandE
- trade strategies
- implement automated trading
- customise your preferred layout
- use a web-based or a dedicated line solution.
