

Interactive Brokers (UK) Ltd.

Interactive Brokers (UK) Limited belongs to the Interactive Brokers Group which currently holds in excess of \$2.8 billion in equity capital. The Interactive Brokers Group single-minded focus on building trading technology for 30 years has allowed us to create the industry's premier direct access trading platform. This emphasis on technology has made it possible for us to offer ultra low commissions, best price execution, high credit interest, and low margin interest rates.

Our Trader Workstation (TWS) empowers our clients to have direct market access to over 60 global exchanges and supports multi asset classes (e.g., options, futures, shares, forex and bonds). In addition, our TWS provides real-time streaming prices, SMART ORDER ROUTING, supports over 40 order types, empowers our clients with various order management modules (e.g., Option Trader, Spread Trader, Portfolio Trader, Basket Feature, Volatility Trader...), Integrated Analytic Tools (e.g., Technical, Fundamental and Price/Risk), a FIX/API solution, alerts, real-time account management tools, and scalable trading windows.
