

## The Candlestick Trading Company Ltd.

(Clearing through Fortis Bank Global Clearing N.V.)

The Candlestick Trading Company (established 1999), has offices located in Swiss Cottage, London and Shenfield, Essex, both of which provide a fully supported environment for both novice and professional futures traders, operating on Liffe and other global exchanges. Other markets can also be arranged so please call to discuss.

The Swiss Cottage office provides a fully-facilitated environment located beside Swiss Cottage tube station, with high speed communications and state of the art trading systems. The Shenfield office is a comfortable, high-specification environment with leisure facilities for local traders.

Both air-conditioned offices are fully equipped with Sky television, Bloomberg, Market News, CQG, TT, Easyscreen, PATS, live news feeds and fast Internet access.

Please contact the relevant office for information about training opportunities, advice on trading platforms and rates and/or to make an appointment to visit the floor.
