

Chelmsford Trading Bureau Ltd

Here at CTB we offer a full trading desk facility for professional futures traders. This includes a desk equipped with 2 15" flat panel trading screens, a high spec. PC linked to a dedicated lease line to the exchange traded.

The reason for a dedicated lease line is to have instant prices and to be able to add, amend and pull orders without delay.

A range of information screens are provided which include:

Reuters 3000 extra
 Futuresource
 Ransquawk
 BrokerTalk

Other information suppliers can be provided if requested.

We also supply charts for all major futures contracts. Along with this we have access to GNI/MAN weekly and monthly data.

All the above in a friendly and helpful atmosphere
