

## Custom House Capital Online Ltd.

(Clearing through Fortis Bank Global Clearing N.V.)

Custom House Capital Online Ltd. is a proprietary trading company based in Dublin which provides a comprehensive range of services to self financed traders and backers.

Custom House is regulated by the Central Bank of Ireland under chapter VII of the Central Bank Act 1989.

Custom House has a number of proprietary tax efficient investment structures for both backers and traders.

### **Traders/Backers are offered:**

- state-of-the-art trading facilities using high speed networks and the best equipment available
- full time IT support
- trading access to all global financial derivative exchanges including Liffe
- a number of leading trading front-ends
- Custom House's tax free/tax efficient compensation packages

### **Both Traders and Backers are offered:**

- access to Custom House's tax free/tax efficient structures that offer considerable tax benefits to traders/backers
- isolation from the risks of any other trader/backer using the Custom House facility
- real-time access to risk profiles

### **General**

- both traders and backers benefit from a very competitive cost structure including desk fees and dealing commissions.
