

MAREX Trading Services Ltd.

Welcome to MAREX Trading Services— one of the world's leading electronic futures trading firms.

We have been financially backing and facilitating traders on the electronic markets since 1998, and currently house more than 100 traders in our offices in London and Gibraltar.

Our environment is unique, dynamic and offers cutting edge technology. We focus on traders – on providing the highest levels of service, support and infrastructure.

As a MAREX Trading Services-affiliated trader, you have direct access to an ever-expanding range of products and software options. Our premier position in the industry allows you to take advantage of our competitive rates without compromising on service.

We've built our reputation on our success and foster an un-matched environment to cultivate yours.
