

Mercury Financial Futures

(Clearing through Fortis Bank Global Clearing NV)

Choose Mercury Financial Futures, a new, innovative, dynamic trading partnership.

We currently have space in our fully equipped offices in the heart of the City of London, facilitating both self-funded and backed traders.

A full range of trading systems on offer including, TT, RTS, PATS, ECCO and EASYSSCREEN.

We offer live squawk, CQG, Reuters and Bloomberg news flow, plus a wealth of financial futures experience.

We are dedicated to providing first class technical/functional back-up and clearing through Fortis Bank Global Clearing NV.

Mercury looks to partner with groups wishing to establish their own proprietary trading environments.
