

Pyne Trading Ltd

(Clearing through Fortis Bank Global Clearing NV)

Pyne Trading Ltd has experienced great success since establishing in 2004 as a proprietary trading group, facilitating and providing funding for traders of all experience levels across a spectrum of exchanges. Our ethos is to provide the premier service to our traders in terms of physical requirements and to create an environment conducive to enabling the trader to fulfil their goals.

The management has extensive experience of looking after traders (from the inception of screen based trading) and has an exceptional track record of trader development using established practices as well as more innovative approaches.
