

## Trader Hill Ltd

Recently established as a satellite of The Kyte Group Ltd, Trader Hill offers a top quality trading office in the heart of NW London.

Located just 5 minutes from all major road networks (M1, M25, A1) the office offers traders the opportunity to eliminate the daily City commute without any loss of quality in the facilities or service provided.

Our trading systems include TT, RTS and PATS and we offer a live squawk, technical analysis and years of futures trading experience.

The location is on Mill Hill Broadway, 2 minutes from a major Thameslink station and is surrounded by a number of top quality shops and restaurants and car parking space.
