

## TXL Trading Limited

(Clearing through The Kyte Group)

TXL Trading was founded in 2003 to meet the requirements of established independent traders and give them local access to global financial markets.

TXL is located on Whetstone High Road with easy access to shops, restaurants and bars. Facilities include air conditioning, point-to-point lease line, internet, satellite TV, economic news and data with full in-house IT support.

TXL offers a relaxed but professional work environment for experienced and new traders. We have an excellent record of developing traders with our hands-on training programme, with a level of personal attention that never stops.

TXL offers a competitive cost structure in desk, computer charges and commission rates.
