

Xconnect Trading Ltd.

(Clearing through Fortis Bank Global Clearing N.V.)

Xconnect is a new state of the art professional trading office in the heart of the City of London. Xconnect provides a fresh professional environment, we offer bespoke services of the highest quality.

On site IT, risk management and account management staff ensure that clients enjoy all the benefits of a small, hands on, highly experienced support team and the security of contracting with a highly capitalised General Clearing Company.

Xconnect has a unique approach to screen based trading offering multiple trading platforms and direct exchange connectivity. It offers:

- a fully air-conditioned professional trading environment
- flexible office space including self contained office facilities if required
- multiple choice of ISVs and quote vendors
- direct exchange access
- full on site IT support
- the ability to facilitate individual traders, groups of traders and brokerage units
- competitive clearing rates and clearing contract with Fortis Bank Global Clearing NV.

In addition Xconnect supports remote access clients, either via fixed lines or the Internet.
