## **NYSE Euronext welcomes Brookfield Asset Management Co-listed on the New York and Toronto Stock Exchange**

---

*Amsterdam, 18 March* – Brookfield Asset Management Inc, a global asset management company, focused on property, power and infrastructure assets, was listed successfully today on NYSE Euronext's Amsterdam market.

The Company has approximately USD 90 billion of assets under management and is co-listed on the New York Stock Exchange and the Toronto Stock Exchange.

“We are delighted to welcome Brookfield onto Euronext and applaud the company’s decision to extend its NYSE listing onto one of NYSE Euronext’s European markets. Its listing in Amsterdam will give Brookfield greater liquidity and greater access to European and other international investors in the Eurozone, in addition to the access it already has to North American investors. This year, in addition to Brookfield, we welcomed Indian IT Company Satyam and Liberty, both international companies looking for access to the Eurozone via NYSE Euronext’s European markets”, said Joost van der Does de Willebois, Chairman of the Amsterdam market and member of the Management Committee of NYSE Euronext.

Scott Parson: Managing Director, Brookfield Europe: "As Brookfield continues to seek expansion of its operations globally, we believe that this listing will help to enhance Brookfield’s market access to European and other international investors."
