

18 July 2008

PROJECT: Universal Trading Platform – Market Data Feed

Detailed schedule and updated specifications for Universal Trading Platform Market Data Feed

Further to the info-flash of 22 May 2008, NYSE Euronext is pleased to inform clients of the current implementation schedule for its Universal Trading Platform Market Data Feed. Please see below for further details:

Canned Data

Week commencing 21 July 2008: Trade and Market Information messages.

This data will be available on the Euronext website in the following location:

www.euronext.com/cashmembers > Market / IT documentation > IT Development > UTP MD protocol
OR

www.euronext.com/cashmembers > Market / IT documentation > Technical

External User Acceptance (EUA) test platform

28 July 2008: all Trade and Market Information messages available via MMBA (see details in **Universal Trading Platform Market Data - Equities Feed Specifications** “Market Information Appendix V1.1” and “Trade Appendix V1.1”).

External User Acceptance (EUA) test platform

11 August 2008: all message types available via MMBA and Internet VPN.

External User Acceptance (EUA) test platform

8 September 2008: all message types and refresh and retransmission functionalities available via Internet VPN, MMBA and SFTI infrastructures.

UTP Market Data feed on production platform

29 September 2008: all Market Data message types and refresh and retransmission functionalities available via MMBA and SFTI infrastructures.

Please note that:

- EUA UTP Market Data Feed will be sent, in parallel, on the same circuit as the EMF Production Feed
- For Internet VPN access, a separate info-flash will be sent to explain the complete order process.

NYSE Euronext is also pleased to inform clients that the **specifications of its new Market Data Feed have been updated to include some very minor changes** (these changes are described in detail in chapter "history"). The specifications, a set of Equities specifications which apply to all NYSE Euronext Equities markets, are listed below:

- **"UTPMDF Equities Feed Specifications – Indices Appendix", v1.1**
- **"UTPMDF Equities Feed Specifications – Market Information Appendix", v1.1**
- **"UTPMDF Equities Feed Specifications – Order Book Appendix", v1.1**
- **"UTPMDF Equities Feed Specifications – Quotes & BBO10 Appendix", v1.1**
- **"UTPMDF Equities Feed Specifications – Trade Appendix", v1.1**

Furthermore, in order to help TOPCAC, FIM and EMF customers migrate to this new Market Data Feed, two additional documents are now available, as listed below:

- **"UTPMDF Equities Feed TOPCAC-FIM Mapping", v1.1**
- **"UTPMDF Equities Feed EMF Mapping", v1.1**

All of the abovementioned specifications are available on the Euronext website at:

www.euronext.com/cashmembers > Market / IT documentation > Technical

For further information regarding these Market Data Feed specifications or for functional or technical questions, please contact us on our new UTP generic email address (or by phone):
