The decisions taken today will take effect from **Monday 22 September 2008**

In connection with the introduction of the Single Order Book, the Committee has also decided to change the CAC 40 Index eligibility rules.

From 1<sup>st</sup> January 2009, the eligible shares to the CAC 40 Index will be:

- a) Companies with Euronext Paris as market of reference; and
- b) Companies with a market of reference that is not Euronext Paris who qualify based on
  1. The significant presence (relative to the size of the group) of business assets and/or head-office activities in France and/or employment of significant numbers of staff in France ; or
  2. Significant trading volumes on related derivative instruments in Paris ; or
  3. History of inclusion in indices (including takeovers), in so far 1. and/or 2. are applicable for the candidate stock.

This rule will apply to all Euronext Paris indices, except the CAC AllShares index.

#### **About NYSE Euronext**

NYSE Euronext (NYX) operates the world's leading and most liquid exchange group, and seeks to provide the highest levels of quality, customer choice and innovation. Its family of exchanges, located in six countries, includes the New York Stock Exchange, the world's largest cash equities market; Euronext, the Eurozone's largest cash equities market; Liffe, Europe's leading derivatives exchange by value of trading; and NYSE Arca Options, one of the fastest growing U.S. options trading platforms. NYSE Euronext offers a diverse array of financial products and services for issuers, investors and financial institutions in cash equities, options and derivatives, ETFs, bonds, market data, and commercial technology solutions. As the world's largest exchange group by number of listings and market capitalization, NYSE Euronext is home to over 4,400 listed companies representing a combined \$26.7 / 17.1€trillion (as of June 30, 2008) in total global market capitalization, more than four times that of any other exchange group. NYSE Euronext's equity exchanges transact an average daily trading value of approximately \$157.0 /102.7€billion (as of June 30, 2008), which represents more than one-third of the world's cash equities trading. NYSE Euronext is part of the S&P 500 index and the only exchange operator in the S&P 100 index.
