PROJECT: **SINGLE ORDER BOOK**

## Next Single Order Book implementation steps

Following the info-flash of 5 September 2008, NYSE Euronext is pleased to inform clients of the next stages within the new Single Order Book implementation programme. Please see below for further details.

The next steps to be taken by NYSE Euronext are as follows:

- **Reestablishment of referential data for all securities available on the EUA test platform as from 12 September** on the basis of a copy of the production environment as at 14 April 2008.
- Before 6 October, the specific list of securities which form the ESES security test panel will be reestablished on the EUA test platform, based on a copy of the production environment of 18 July 2008.
- Start of the **second round of ESES tests on 6 October 2008**.
- Second Single Order Book simulation:
  - First stage (**positioning of the market of reference**): **14 October 2008**
  - Second stage (**change of depositary codes**): **17 October 2008**
  - Last stage (**close of non market of reference order books**): **24 October 2008**

All available NYSE Euronext information and any updates concerning these tests and Single Order Book are available on the Euronext website in the following location:
