

4 March 2009

PROJECT: NYSE Arca Europe

NYSE Arca Europe launch – operational update including instrument list

With the impending go-live of our new MTF, NYSE Arca Europe, please find below an operational update including the list of instruments to be launched on NYSE Arca Europe.

Our new MTF will offer trading in blue-chip stocks from eleven European countries, complementing our existing offer on NYSE Euronext's regulated markets. The first phase to be launched Monday, 9 March 2009 will cover Austria, Denmark, Finland, Germany, Italy, Norway, Spain, Sweden and Switzerland; a second phase planned for early April will further extend the trading scope to include Ireland and the United Kingdom.

Trading Hours

NYSE Arca Europe will operate a single continuous trading session between the hours of 09.00 and 17.30 Central European Time (CET).

For further information on market rules and access to the Trading Manual and Rule Book, please refer to the 'Market Rules' page of the dedicated NYSE Arca Europe section of the Euronext website:

<http://www.euronext.com/NYSEArcaEurope> > Market Rules

For further information on order types and tick sizes, please see the 'Market Model' page of the dedicated NYSE Arca Europe section of the Euronext website:

<http://www.euronext.com/NYSEArcaEurope> > Market Model

Referential data

Attached with this info-flash is a draft list of instruments due to start trading on Monday, 9 March with all associated codes, including trading codes and tick size indices. We only expect minor changes to this list; a final instrument list will be circulated on Friday 6 March.
