

ANNEX A, THE INFORMATION

TO THE GENERAL CONDITIONS (I) OF EURONEXT REGARDING THE SUPPLY AND USE OF EURONEXT MARKET INFORMATION
(APPLICABLE FROM DECEMBER 2010)

Indices European Information Products

NYSE Euronext Global Index Group compiles, calculates and publishes a wide range of indices covering strategy indices, volatility indices, major European and national market indices. The most well known indices are AEX[®], Bel 20[®], CAC 40[®] and PSI 20[®].

Market Indices

This product provides information relating to the indices computed by NYSE Euronext such as the national main indices AEX[®], Bel 20[®], CAC 40[®], PSI 20[®], global/NYSE Euronext indices such as Euronext 100[®] and Next 150[®] and a wide variety of sector and other indices. The subscription to this service allows distribution of Market Indices.

Volatility Indices

This product provides information relating to the volatility indices computed by NYSE Euronext such as the VCAC, VAEX, and VBEL. The subscription to this service allows distribution of Volatility Indices.

Strategy Indices

This product provides information relating to the strategy indices computed by NYSE Euronext. The subscription to this service allows distribution of Strategy Indices.

Complementary Indices

This product provides information relating all remaining indices computed by NYSE Euronext. The subscription to this service allows distribution of Complementary Indices.

All Indices

This product provides information relating to all above-mentioned NYSE Euronext Indices.

NYSE Euronext European Cash Information Products

NYSE Euronext European cash markets Information Products comprise the Amsterdam, Brussels, Lisbon and Paris regulated cash markets.

NYSE Euronext Cash Last Price

This service provides traded prices and quantities, open, high, low and closing prices of securities traded on NYSE Euronext's European cash markets. Opening and closing messages relative to the characteristics of the securities for the trading session are also transmitted.

NYSE Euronext Cash BBOI

In addition to Cash Last Price, this service provides the best limit per security, i.e. prices and quantities of BBOI (best bid and offer) on NYSE Euronext's European cash markets.

NYSE Euronext Cash BBOI+

In addition to Cash BBOI, this product provides the volume weighted average quote.

NYSE Euronext Cash BBO10

In addition to Cash BBOI+, this service provides up to the best ten limits per security, i.e. prices and quantities of the BBO10 (best ten bids and offers) on NYSE Euronext's European cash markets.

NYSE Euronext Cash FOB (Full Order Book)

In addition to Cash BBO10, this service provides the full order book (order-by-order) of NYSE Euronext's European cash markets.

NYSE Arca Europe

This service provides volume, symbol, name and the best bid & offer and trading prices on NYSE Arca Europe, NYSE Euronext's Multilateral Trading Facility (MTF).

NYSE Euronext Real-Time Reference Prices

This service provides Real Time last prices, volume, symbol, name and timestamp in all listed securities from NYSE Euronext's European cash markets. The service is designed for public display via financial website portals and television channels, with monthly reporting and detailed Subscriber administration requirements.

European Equity Off-Exchange Trade Reports

This service provides information about off-exchange trades in a broad range of listed European equities and Exchange Traded Funds. It contains trade reports submitted by investment firms to NYSE Euronext via the Trade Publication Service or other trading platforms directly, including SmartPool.

NYSE BondMatch™

NYSE BondMatch™ offers real-time market data on traded prices, spread and yield, and order book data for the NYSE BondMatch™ platform. This service provides the choice to either view the full market depth order book by disseminating each individual order or the BBO I0 market by limit order book.
