

The BEL 20® is a real-time basket index reflecting the continuous price evolution of the 20 most liquid Belgian shares listed on Euronext Brussels

NYSE Euronext – the world’s largest and most diverse global exchange group – offers a wide range of indices covering companies that account for substantial portions of the world’s markets.

These indices provide the investing public with benchmarks that measure various sectors and economies around the globe.

The BEL 20® is a real-time basket index reflecting the continuous price evolution of the 20 most liquid Belgian shares listed on Euronext Brussels and serves as Blue-chip index for Euronext Brussels. The weight of the index constituents is based on their market capitalisation adjusted for free-float. The free-float is a measure (in %) for the part of the issued shares of the

company that are available to the public for trading. The basis was set at 1000 on 30.12.1990. The Index is published continuously.
