PROJECT: **NYSE Arca Europe**

NYSE Arca Europe tick size changes effective 1 June 2009

Following the info-flash of 27 May 2009, in which NYSE Euronext announced NYSE Arca Europe's plans, following customer demand, to adjust its trading tick sizes with a view to matching and harmonising with other multi-lateral trading facilities (MTFs), an additional change has been made to the tick table index for UK securities on the FTSE 100 and Swiss securities. The changes are marked in bold in the below table.
