Trading in Spanish stocks on NYSE Arca Europe extended to 17:30 CET from 29 June 2009

NYSE Arca Europe is pleased to announce that the trading hours for Spanish stocks on NYSE Arca Europe will be extended to **17:30 CET** from **Monday, 29 June 2009**.

This change, from 17:20 to 17.30 CET, is due to the lifting of the temporary 10-minute buffer imposed by EuroCCP in March 2009 following the launch of its clearing services. This 10-minute buffer was initially implemented for a temporary period to ensure that the required 'Put Throughs' that EuroCCP must execute at the end of each trading day were successfully handled, which is now the case.
