

LONDON INFO-FLASH NO. LO09/33

ISSUE DATE: 16 September 2009

INVITATION TO APPLY FOR VACANT PRIMARY LIQUIDITY PROVIDER AND PRIMARY MARKET MAKER POSITIONS FOR UK INDIVIDUAL EQUITY OPTIONS AND FTSE 100 INDEX OPTIONS

Executive Summary:

This Info-Flash invites Members to apply for current vacancies for Primary Liquidity Providers and Primary Market Makers for UK Individual Equity Options and FTSE 100 Index Options.

1. This Info-Flash invites Members and appropriate clients of Members to apply for one or more vacant positions in the Primary Liquidity Provider (“PLP”) and Primary Market Maker (“PMM”) Schemes for UK Individual Equity Options and FTSE 100 Index Options. The Schemes, which came into effect on 1 July 2009, will remain in place until Wednesday 30 June 2010.
2. PLPs and PMMs benefit from transaction fee reductions (effected through rebates) in return for fulfilling quantified market obligations and will gain benefit from the ability to submit Market Making Orders (“MMOs”) to LIFFE CONNECT[®]. Full details of the Schemes, including obligations, benefits and performance measurements for PLPs and PMMs were contained in London Info-Flash No. LO09/18, issued on 8 June 2009, and may also be found on the NYSE Euronext website at www.nyx.com/elps (under the London heading).
3. A full list of current vacancies can be found in the Attachment to this Info-Flash.
4. All Members are eligible to apply for PLP or PMM status. Applicants should send a list of option classes in which they wish to become a PLP/PMM to the Quality of Derivative Markets department via email (qualityofderivativemarkets@liffe.com) by no later than the close of business on 24 September 2009.
5. Members are reminded that the appointment of each PLP/PMM will be subject to a binding contract (“the Agreement”) between the successful applicant and the Exchange. An application does not constitute an Agreement. Furthermore, a successful applicant’s market maker status, and therefore the period for which the market maker may receive financial benefits, may not be deemed to have commenced until the Agreement is completed and signed by all parties.

6. The Exchange will select the market makers on the basis of:
 - (a) the quality of their market making in the previous UK ELPS schemes or other Exchange-operated schemes (in term of performance and quote efficiency); and
 - (b) the technological and human resources to be allocated to the market making activity.
7. An internal Committee will select PLPs/PMs with a view to maximising the quality of the Exchange's market in the relevant Contracts. If, having completed this process, some market making roles have not been taken, the remaining positions will be held open for the remainder of the Scheme period and may be filled during that period by subsequent appointments.
