TRADING ANNOUNCEMENT

The following procedure only concerns Sponsoring Members and Sponsored Participants in accordance with the "Sponsored Access Application to Euronext Securities Markets" form, Notice N8-01 and Rule Book I, Chapter 3, Article 3.3 and Chapter 8.

As a rule, the Sponsoring Member is responsible vis a vis NYSE Euronext for:

- Any Sponsored Participant orders and any executions occurring as a result of such orders on the NYSE Euronext European Securities Markets and all related contractual and regulatory obligations;
- All Sponsored Participant activity which is done under a specific Sponsored Participant code through the NYSE Euronext systems.

Access to Market Surveillance:

Only the Sponsoring Member is recognised by NYSE Euronext as having the right to send any Sponsored Participant trading requests to NYSE Euronext's Cash Markets Surveillance teams relating to market surveillance issues (ie, order cancellations, trade cancellations, etc)

Nevertheless, in the event of an emergency, NYSE Euronext's Market Surveillance teams are authorised to deal directly with the Sponsored Participant.

Access to Customer Technical Support and Client Administration:

NYSE Euronext accepts that both Sponsoring Members and Sponsored Participants can contact the NYSE Euronext Cash Market Customer Technical Support team, as well as the Onboarding & Client Administration team, for technical and administrative requests (ie, admission forms, access means, network queries, homologation platform, market data, etc).

Contact details:

Should you have any queries regarding the above, please do not hesitate to contact the following teams:

- Market Surveillance (Equities or Structured Products desks) for any trading matters;
- Customer Technical Support Help Desk for any technical information;
- Onboarding & Client Administration for any membership information.

Alternatively, please contact your local relationship manager.
