PROJECT: Universal Trading Platform

Successful migration of SmartPool to the Universal Trading Platform (UTP)

NYSE Euronext is pleased to confirm the **successful migration of SmartPool from NSC to the Universal Trading Platform.**

Effective today, SmartPool securities are only available for trading on the Universal Trading Platform through the new protocols UTP-Direct and FIX 4.2. SmartPool no longer supports the legacy protocols (MMTP and FIX EN).

Following the successful migrations of Bonds, Equities, ETFs and NYSE Arca Europe to the Universal Trading Platform, this next step in the implementation reflects NYSE Euronext continuing commitment to provide customers with an innovative and ultra efficient electronic trading platform.

Should you have any questions regarding the Universal Trading Platform, or any other exchange related topic, please contact the support team on:
