ISSUE DATE: 28 December 2009
EFFECTIVE DATE: 28 December 2009

AEX Index Weekly and AEX Index Daily Option Introduction and Expiration Dates up to and including 8 JANUARY 2010

Executive Summary :

This Info-flash explains the rules that determine the introduction and expiration date for the AEX Index Weekly and AEX Index Daily Option Contracts and confirms the introduction and expiration scheme for the period 28 December 2009 through to 8 January 2010.

The following rules are applicable to determine the introduction and expiration days for AEX Index Weekly and AEX Index Daily Option Contracts:

1. The last trading day for AEX-index® products to expire will be a complete trading day, including the official settlement price calculation between 15:30 and 16:00 CET;
2. If the last day of trading would not be a business day or not a complete business day the previous complete trading day will be the last trading day;
3. The introduction day must be a business day. If not the previous business day will be the introduction day;
4. If the AEX-index® expires on a specific business day no other AEX-index® product (Daily or Weekly) shall expire on this same day;
5. If an AEX Index Weekly Option Contract expires on a specific business day no other AEX-index® product (e.g. AEX Index Daily Option Contract) shall expire on this same day.
