

EURONEXT NOTICE N9-01

Specification of scales of liquidated damages pursuant to Rule 9301/1 (ii) (a) and (vi)

Subject: Specification of scales of fixed amounts of liquidated damages which may be imposed upon a member pursuant to Rule 9301/1 (ii) (a) and (vi) of the Euronext Rule Book Chapter 9

Department: Legal, Regulation, Compliance and European Affairs ("LRCEA")

Issue Date: 9 February 2010
Effective Date: 22 February 2010

Revised: 9 February 2010

This Notice, issued jointly by the Euronext Market Undertakings, specifies scales of financial penalties pursuant to Book I of the Euronext Rule Book, Rule 9301/1 (ii) (a) and (vi). It shall enter into force on 22 February 2010 in respect of the markets operated by Euronext Amsterdam, Euronext Brussels, Euronext Lisbon and Euronext Paris.

Capitalised terms used in this Notice shall have the same meaning as set forth in Book I, Chapter 1 of the Euronext Rule Book.

Article 1 Scope

In accordance with Rule 9301/1 (ii) (a), the tables shown below shall be used to determine the amount of the financial penalties payable.

In accordance with Rule 9301/1 (vi), this Notice will specify how Euronext will publish all or part of the decision taken under Rule 9301/1.

Article 2 Calculation

2.1 Euronext has determined a fixed financial penalty (see Table 1) for each violation of a specific Rule (see Table 2¹).

2.2 If the violation relates to an obligation laid down in an article in a Notice, but the article in question is not included in Table 2, the financial penalty will be the fixed financial penalty for the Rule to which the Notice relates. If the violation is not related to any of the Rules referred to in Table 2, the following shall apply:

- The fixed financial penalty imposed for scale 1 violations shall apply to violations of obligations referred to in Notices relating to Chapter 2.
- The fixed financial penalty imposed for scale 1 violations shall apply to violations of obligations referred to in Notices relating to Chapter 3.
- The fixed financial penalty imposed for scale 5 violations shall apply to violations of obligations referred to in Notices relating to Chapter 4.
- The fixed financial penalty imposed for scale 5 violations shall apply to violations of obligations referred to in Notices relating to Chapter 5.
- The fixed financial penalty imposed for scale 6 violations shall apply to violations of obligations referred to in Notices relating to Chapter 8.

Article 3 Multiple violation

The penalty associated with a particular Rule or provision of the Trading Procedure or the Trading Manual ("Provision") will be imposed on the Member only once as the result of the examination of an Alleged Violation in accordance with the procedure referred to in Rule 9.2, notwithstanding that certain Rules/Provisions may contain a number of individual requirements and/or that a single investigation might identify multiple violations of the same Rule/Provision.

Article 4 Non-payment

Members that fail to pay the stipulated financial penalty within the period stated in the letter referred to in Rule 9301/2 shall be required to pay interest at a rate of 5% per annum on the outstanding amount.

Article 5 Non-compliance

If a Member fails to comply with the violated Rule after the end of the recovery period as stated in the letter referred to in Rule 9301/2, the amount of the financial penalty shall be increased by 100%, up to a maximum of EUR 250,000.

¹ The descriptions of the rules in Table 2 are for convenience only and have no legal effect.

Article 6 Repeated violations

If a Member is required to pay a financial penalty for the violation of a Rule and that Member has already been penalised for the violation of that Rule within the previous two years, the financial penalty payable for the most recent violation shall be increased by 100%, up to a maximum of EUR 250,000.

Article 7 Publication and disclosure

According to Rule 9301/1 (vi), Euronext may, if a Rule has been violated publish all or part of the decision taken under Rule 9301. In any case, Euronext will make such decision available on a dedicated Extranet website reserved to both the Euronext Members and the Competent Authorities, with or without disclosing the identity of the Member involved.

When the decision is taken under Rule 9301/1 (ii) to (v) the identity of the concerned Member is systematically disclosed.

Such disclosure of the violation will take place after the Member has been duly informed of said decision, and as the case may be, after a certain delay during which the Member is required to fulfill its obligations under the rules, or is required rectification towards Euronext of the violation by the Member of an obligation under the Rules within a term specified.

The access to the Extranet website is limited to specific categories of persons designated by the Members under his sole responsibility. It is accessible by mean of usernames and passwords assigned to the persons appointed by the Members. The information disclosed on the Extranet website is of a confidential nature.

Article 8 Separate Agreements

Violations of a Member's obligations under an agreement entered into by the Member pursuant to the Rules shall be dealt with in accordance with the provisions of such agreement.
