Instructions of the Settlement Service

Attention:

Issuers and Participants

Topic:

**Amendments to the Instructions of the
Settlement Service**

Dear Client,

please be informed that the texts of the Settlement Service Instructions have been updated in order to adapt the procedure of the management of *corporate action on flow* to international practices.

The amendments will enter into force on the **24 January 2019**.

The texts, both in Italian and English, are available at the following [link](#).
