All fees are stated in euros (“€” or “EUR”), exclusive of VAT and must be paid within 30 days of the invoice date by bank transfer to Euronext’s bank account. Without prejudice to the applicable legislation, Euronext reserves the right to claim interest and compensation for debt recovery costs in case of late payment. If Securities are not denominated in euro, the conversion to euro is calculated by using the applicable exchange rate published by European Central Bank on the day of admission of such securities. For avoidance of doubt, “m” means “million”.

Capitalised terms defined in this fee book shall have the same meaning therein as set forth in the Definitions.

This fee book may be amended from time to time subject to prior notice (e.g. by placing the amended version on the Euronext website).
