- Bespoke debt instruments
- Structured transactions
- Securities with sensitive features
- Securities aimed at professional investors

Clear path to GPS listing

1. **Prepare**
   Complete the GPS Application Form (Part A and Part B). Where the issuer has produced a prospectus, it can be submitted in place of Part B of the application form.

2. **Submit**
   Provide the required information and the Terms & Conditions of the securities.

3. **Admission**
   Following the submission of the relevant documentation, Euronext reviews the application and admission to listing and trading is granted. Please note Euronext may request additional information where required.

≥ 3 business days Final application and accompanying relevant information must be submitted before the expected listing date.

GEM FEES GEM fee schedule applies, with discounted fees for warehousing transactions

Information available to eligible investors

Listing documents are not published or made available by Euronext Dublin. Issuers must provide a contact point through which eligible and potential investors can request the Terms & Conditions of the securities.
