RESTORATION

(a) an omission of information request is made to *Euronext Dublin* to omit from the *listing particulars* financial information relating to the individual guarantor(s), as required by paragraph 3 of Appendix 1 of these rules, on the grounds set out in paragraph 3.3(3)(c) of these rules; and

(b) *Euronext Dublin* authorises the omission of information under paragraph 3.3.

In such case, the *issuer* shall not be required to include in its *Listing particulars* individual financial information for any guarantor(s) as otherwise would be required pursuant to Section 3 of Appendix 1 of these rules and instead the disclosure requirements below apply.

GEM LISTING PARTICULARS DISCLOSURE REQUIREMENTS

OMISSION OF INFORMATION REQUEST

An *issuer* seeking to comply with this Appendix must submit an omission of information request letter in accordance with paragraph 3.3 in respect of the financial information on the individual guarantor(s). Such submission must be made, save with the consent of *Euronext Dublin*, at the time of the initial submission of the *listing particulars* to *Euronext Dublin* for review. In addition, the above points 1-4 must be included in both the *listing particulars* and the omission request letter.

CONSULTATION WITH EURONEXT DUBLIN

APPENDIX 3

Requirements and Conditions for Listing Global Depository Notes

Introduction

The *GEM* facilitates the *listing* of sponsored and unsponsored Global Depository Notes (GDNs) which are aimed at professional investors.

A GDN is 'sponsored' where the issue of the GDNs:

1. Is being made with the full cooperation of the issuer of the underlying *debt securities*; and
2. Involves an issuing custodian or depository acting in a trustee capacity.

In these situations, *Euronext Dublin* considers the issuer of the underlying *debt securities* to be the *issuer* for the purposes of the *GEM rules*. Section 1 below details the requirements that apply to sponsored GDNs.

A GDN is 'unsponsored' where the issue of the GDNs is being made without the full co-operation of the issuer of the underlying *debt securities*. In this situation *GEM rules* and Chapters 1, 2 and 5 of the *GEM rules* are replaced with the requirements set out in Section 2 below.

For the avoidance of doubt, all other chapters of the *GEM rules* apply.

Please note, the 'public offer' requirements of the Prospectus Regulation need to be carefully considered to ensure that the issue of the GDNs does not trigger the requirement for a public offer prospectus, i.e. the offer falls outside the scope of the Prospectus Regulation or a relevant exemption can be availed of.

Section 1: Sponsored GDNS

The *GEM rules* apply in their entirety to the issuer of the underlying *debt securities*.

In addition, the following requirements apply in respect of the GDNs and their *issuer*:

A. CONDITIONS FOR LISTING – GDN ISSUER

1. The issue of the GDNs is made with the full co-operation of the *issuer* of the underlying *debt securities*;
2. The *issuer* of the GDNs must be a suitably authorised and regulated financial institution;
3. The underlying *debt securities* must not be assets of the *issuer* of the GDNs and, subject to paragraph 4, the GDNs must not represent liabilities of the *issuer* of the GDNs. The *issuer* of the GDNs must operate in a jurisdiction where the underlying securities would not form part of its assets on bankruptcy or insolvency;
4. The GDNs should impose no obligations on their *issuer* other than to the extent necessary for the protection of the GDN-holders' rights to and the transmission of entitlements of the underlying *debt securities*;

5. At the time of issue the payments arising from the underlying *debt securities* must be sufficient to meet the payments required under the GDNs;
6. In respect of the GDNs for which *listing* is sought, *GEM rules* 1.6, 1.8, 1.9, 1.10 1.15 to 1.19 and 1.30-1.31 apply;
7. The issuing custodian or depositary is duly incorporated or otherwise established under the law of the place where it is incorporated or otherwise established, and it is in conformity with that law and its memorandum and articles of association; and
8. Under the terms of the trust deed, the issuing custodian or depositary holds on trust for the benefit of GDN holders all monies received from the *issuer* of the underlying *debt securities* pursuant to the obligations in respect of the underlying *debt securities*, subject only to payment of the issuing custodian's or depositary's remuneration and expenses.
