As a key market infrastructure, at the heart of the financial ecosystem, Euronext is committed to the role capital markets can play in the drive toward low carbon economies and provides the market infrastructure to enable efficient funding of green and environmentally sustainable projects and initiatives.

**EURONEXT GREEN Bonds**

is a community of green bond issuers where green bonds listed on all Euronext locations are consolidated onto one highly visible area.

Euronext is home to **200+ green bonds** from **80+ issuers** across the globe including sovereigns, supranational issuers, financial institutions, corporates and pure play issuers.

**BENEFITS**

- Opportunity for issuers to increase ‘green’ visibility and showcase ESG credentials
- Creates an engaged community of leading issuers involved in sustainable investments
- Grants investors access to labelled green investments
- A transparent discovery process ensures investors can source ‘green’ documentation sourced directly from issuers
- Application process focused on integrity and efficiency

**ELIGIBILITY & PROCESS**
