EURONEXT NOTICE 1-01

Document subject

ENTRY INTO EFFECT OF THE EURONEXT RULE BOOK

INTRODUCTION

1. The new Rule Book shall enter into force on and from 10 July 2007.
2. The present Notice supersedes and replaces Notice 1-01 as amended and issued on 27 February 2017.

DETAILS

3. Euronext intends to revise the Rule Book to accommodate some technical changes in market data offering linked to OptiQ implementation. OptiQ project targets as a whole more performant systems. More specifically for market data feed, the message traffic will be easier to handle for market participants.
4. Proposed changes deal with pre-trade transparency of the central order book. Practically, Rule 4503/2 is amended to list the enhanced possibilities and to explicitly mention the regime of warrants and certificates - which was already specific¹.
