The Stellantis shares will also begin trading today on Borsa Italiana in Milan and on 19 January on the New York Stock Exchange (NYSE).

Stellantis was formed on 16 January 2021 as a result of the historic merger between the French group Peugeot S.A. Both FCA and PSA managements have demonstrated their capability to execute their plan. You can trust our ability to deliver on our commitment."*

These are challenging but exciting times in our industry, with change as rapid as at any point since its foundation over a century ago. Stellantis begins life with the leadership, the resources, the diversity and the knowhow with which to build something truly unique and something great, providing our customers with outstanding vehicles and mobility solutions, creating consistent value for all of our stakeholders."*
