**Amsterdam – 12 February 2021** – Euronext today congratulates ESG Core Investments, a Special Purpose Acquisition Company (SPAC) with a unique Environmental, Social and Governance (ESG) profile, on its listing on the Amsterdam Exchange (ticker symbol: ESGT and ESGWA).

ESG Core Investments was successfully listed through the admission to trading of the 25,000,000 shares. At opening, the share price was set at €10.00 per share. Market capitalisation was approximately €250 million on the day of listing.

With its listing, ESG Core Investments offers a unique investment opportunity for institutional and retail investors in Europe and globally. With its strong track record in ESG, Infestos Sustainability B.V is the sole sponsor.

The listing of ESG Core Investments marks the first SPAC listing of 2021 on Euronext Amsterdam. It is also the first Special Purpose Acquisition Company with an exclusive focus on ESG on Euronext Amsterdam.

Frank van Roij, Managing Director of ESG Core Investments, commented: *“This is a great moment for ESG Core Investments. Through this IPO we seek to provide a strongly positioned ESG company in North Western Europe with access to capital, unlocking a unique opportunity for growth. Together with our hands-on team we look forward to further fuel the transition from a private to a public company, as we previously did with Alfen. We believe Euronext Amsterdam is very attractive for ESG companies as it is located in the heart of North-Western Europe, an area with many opportunities in the field of energy transition and water technology in which we have built a strong track record.”*
