The Independent Supervisor retains the right to change the published selection, for instance in the case of a removal due to a takeover, until the publication of the final data after close of Wednesday 15 September 2021.

All events happening after that date will not lead to a replacement of the selected company that possibly needs to be removed from the final selection.

The BEL[®] Family is reviewed quarterly (March, June, September, December). The full annual review is in March. The June, September and December reviews serve to include new entrants in the case that the index consists of less than the standard number of constituents and to facilitate inclusion of highly ranked non-constituents, for example recently listed companies.
