Pyrum Innovations lists on Euronext Growth

- **NOK 476.4 million raised**
- **Market capitalisation of NOK 1.98 billion**
- **153rd listing on Euronext in 2021**

Oslo – 30 September 2021 – Euronext today congratulates Pyrum Innovations, a German recycling technology company, on its listing on Euronext Growth Oslo (ticker code: PYRUM).

Pyrum Innovations is an innovative recycling technology company based in Germany. On the basis of the worldwide patented, unique thermolysis process, the company develops, builds and operates recycling plants, with the help of which Pyrum extracts high quality raw materials from used tires, rubber and plastic waste and feeds them back into the material cycle.

The admission and issue price of Pyrum Innovations shares was set at NOK 610 per share. Market capitalisation was NOK 1.98 billion on the day of listing.

With the listing of Pyrum Innovations, 153 companies have been listed on Euronext in 2021, and 61 of these on Oslo Børs.

Pascal Klein, CEO of Pyrum Innovations said: *"Going public on Euronext Growth Oslo is an historic step for our company, which will lead Pyrum Innovations AG into a new era of growth. I want to express my gratitude for this achievement to my team and all the supporters of our business in the past and of course in the current Private Placement. We are looking forward to an exciting and promising future for Pyrum, in which we want to contribute our part to the achievement of a circular economy."*

About Pyrum Innovations

Pyrum Innovations AG is an innovative recycling technology company based in Germany. On the basis of the worldwide patented, unique thermolysis process, the company develops, builds and operates recycling plants, with the help of which Pyrum extracts high quality raw materials from used tires, rubber and plastic waste and feeds them back into the material cycle. The raw materials obtained include thermolysis oil, for which Pyrum has received REACH certification, and recovered carbon black (rCB).

About Euronext

Euronext is the leading pan-European market infrastructure, connecting local economies to global capital markets, to accelerate innovation and sustainable growth. It operates regulated exchanges in Belgium, France, Ireland, Italy, the Netherlands, Norway and Portugal. With close to 1,900 listed issuers and around €6.4 trillion in market capitalisation as of end June 2021, it has an unmatched blue chip franchise and a strong diverse domestic and international client base. Euronext operates regulated and transparent equity and derivatives markets, one of Europe's leading electronic fixed income trading markets and is the largest centre for debt and funds listings in the world. Its total product offering includes Equities, FX, Exchange Traded Funds, Warrants & Certificates, Bonds, Derivatives, Commodities and Indices. Euronext also leverages its expertise in running markets by providing technology and managed services to third parties. In addition to its main regulated market, it also operates a number of junior markets, simplifying access to listing for SMEs. Euronext provides custody and settlement services through central securities depositories in Denmark, Italy, Norway and Portugal.
