**Lisbon – 9 December 2021** – Euronext today announced the results of the quarterly review for the PSI 20®, which will take place after markets close on Friday 17 December 2021. The new composition will be effective from Monday 20 December 2021.

### Results of the PSI 20® Quarterly Review

No changes in the composition of the index.

The Independent Supervisor retains the right to change the published selection, for instance in the case of a removal due to a takeover, until the publication of the final data after close of Wednesday 15 December 2021.

All events happening after that date will not lead to a replacement of the selected company that possibly needs to be removed from the final selection.

### Review PSI 20® Family

The PSI 20® is reviewed quarterly in June, September and December. The full annual review is in March. The quarterly reviews serve to facilitate inclusion of recently listed companies and other eligible non-constituents that rank 15th or better. Furthermore constituents whose ranking has become lower than 25th will be removed. Possibly eligible non-constituents are added in order to maintain at least 18 constituents in the index.
