- **Iveco Group brings the total number of companies listed on Euronext Milan to 233**

I V E C O • G R O U P

Milan – 3 January 2022 – Borsa Italiana, part of the Euronext Group, today congratulates Iveco Group on its listing on Euronext Milan.

The ordinary shares of Iveco Group, which arose from the spin-off from CNH Industrial, will begin trading today, 3 January 2022, on Euronext Milan.

Iveco Group is a global automotive leader active in the commercial & specialty vehicles, Powertrain, and related Financial Services arenas.

Iveco Group represents the first admission of 2022 on Euronext Milan and brings the number of companies currently listed on Euronext Milan to 233.

The opening price of the ordinary shares was equal to €11.26.

Gerrit Marx, CEO of Iveco Group, said: *"Our first day of trading marks a historic milestone as we become a fully independent company. I want to thank our Chair, Suzanne Heywood, and our Board of Directors for bringing this spin-off operation to completion and the entire Iveco Group team for taking on the challenge and dedicating extra effort to see it through. We have all the requisites needed for long-term success, including solid foundations, a focused team, and a clear strategy, which will allow us to move quickly, innovating and partnering to create better solutions in today's fast-changing environment. We are also ready to face the global challenges of climate change, directly calling upon the Environmental, Social, and Governance dimensions of our public responsibility. We are committed to transforming not only our business but also our industry, backed by our track record of pioneering solutions in the most advanced fields of road transportation and propulsion, including alternative fuels, autonomous driving, and new business models. The entire Iveco Group team and I are profoundly grateful for the years we shared with CNH Industrial and are confident that our former colleagues will continue to make strides in agriculture and construction. We are excited to begin this next chapter, conscious that we will be facing challenges, but guided by a clear path and vision: we are definitely on the road to a new energy future".*
