Second Euronext Tech Leaders Campus brings together Europe's leading Tech companies, advisors and investors committed to accelerating Tech growth in Europe

- **Second successful edition of the Euronext Tech Leaders Campus, a Euronext initiative aimed at bringing together the European technology community with the support of a network of local and international investment banks and advisors**
- **180 meetings organised between international investors and executives of Euronext Tech Leaders, a unique platform in Europe to support them in funding their growth**
- **300+ participants at the Euronext Tech Leaders Campus, uniting the community of listed Euronext Tech Leaders, high-growth European private Tech companies and financial players**

Amsterdam, Brussels, Dublin, Lisbon, Milan, Oslo, Paris – 21 November 2023 – Euronext, the leading pan-European market infrastructure, holds today in Paris the second edition of the Euronext Tech Leaders Campus, the flagship international event to strengthen the European Tech sector and support European technology companies in their growth funding needs, with the support of major partners. This second edition brings together the 122 Euronext Tech Leaders listed companies, together with leading listed and private Tech companies. With ten panels and workshops, led by C-level executives of Tech companies and international financial experts, the event aims at fostering innovation and collaboration within the European Tech sector.

Euronext and its partners organised for the first time 180 investor meetings between executives of the Euronext Tech Leaders segment and institutional investors. Euronext **is the first exchange to launch such a platform to strengthen the ties between Tech companies and investors.**

This year, the community of Euronext Tech Leaders welcomed 17 new members to the segment, today counting 122 listed Tech companies.

Stéphane Boujnah, CEO and Chairman of the Managing Board of Euronext, commented: *"With the second edition of Euronext Tech Leaders Campus, we successfully initiate a pivotal phase in Euronext's commitment to support the vibrant Euronext Tech Leaders community as we create a dedicated space to foster issuer-investor dialogue for the Tech sector. As the leading listing venue in Europe for domestic and international companies, Euronext proudly pioneers this platform, and we eagerly anticipate achieving further milestones with the European community of talented Tech Leaders. I would like to thank all the partners of the initiative for their extensive support in building this community, and in strengthening the value we bring to the European Tech sector together."*

The full programme of the event with all the speakers is available at: [Euronext Tech Leaders Campus 2023](#).

About Euronext Tech Leaders

Euronext Tech Leaders was launched by Euronext in June 2022 with the support of a strong network of partners from across Europe. The Euronext Tech Leaders initiative includes a number of services, including a segment encompassing 122 European companies listed on Euronext markets, an index made up of the stocks in this segment, a range of services for the visibility and promotion of Euronext Tech Leaders companies to international investors, improved trading conditions, the creation of a community of Tech Leaders and the organisation of the Euronext Tech Leaders Campus, which is the annual meeting venue of Tech companies in Europe. The Euronext Tech Leaders initiative complements Euronext's existing Tech offer, which includes an ecosystem of over 700 Tech companies listed on Euronext markets and over 900 alumni of its pre-IPO programme IPOready, as well as a broad investor base to finance all growth types of Tech companies. With this initiative, Euronext strengthens the European Tech sector and is a driving force for the next generation of Tech Leaders.
