(5) If a clarifying disclaimer as set out in separate [Notice](#) part A (or similar) is not included on the front page of a prospectus that is used as Presentation Document, the Issuer must publish an announcement containing such disclaimer before admission to trading, cf. sixth paragraph.

(6) If significant information associated with the Issuer or its Shares is not included in the prospectus that is used as Presentation Document, cf. fourth and fifth paragraphs, such information must be published through NewsPoint no later than 08:00 hours on the first day of admission to trading.

Reference is made to the guidance set out in Notice 2.2 item 10 no. (12).

2.4 ADMISSION TO TRADING OF RIGHTS TO SHARES

(1) Euronext Oslo Børs may resolve to admit preferential rights to subscribe for Shares and other subscription rights to Shares to trading.

(2) Rights to Shares may upon application by the Issuer be admitted to trading if the rights are considered to be of public interest and can be expected to be subject to regular trading.

(3) The application must be submitted to Euronext Oslo Børs together with a written report on the rights no later than ten Trading Days before the rights are due to be admitted to trading. If the application does not contain inside information, the report should be sent to ma@oslobors.no. Reports containing inside information shall be sent to personal e-mail-addresses in the Market Administration department on Euronext Oslo Børs. If the situation triggers a requirement for the Issuer to produce documentation in the form of a prospectus or equivalent document, Euronext Oslo Børs must receive this no later than at the time the application and report are submitted. The detailed requirements for the content of the application and written report as well as the procedure for admission to trading that apply for admission to trading of other rights to subscribe for Shares on Euronext Oslo Børs' Regulated Market for Shares, Euronext Oslo Børs and Euronext Expand, shall apply similarly to the extent appropriate. In evaluating the application, Euronext Oslo Børs will attach importance to whether the rights are considered suitable for admission to trading.

See section 3.7.3, cf. 3.7.1 of Rule Book II for Euronext Oslo Børs and Euronext Expand, as well as the Rules on admission to trading of other rights to subscribe for Shares in Notice 3.7.2 / 3.7.3 for Euronext Oslo Børs and Euronext Expand.

3. CONTINUING OBLIGATIONS FOR ISSUERS

3.1 EQUAL TREATMENT

The Issuers' duty to treat its shareholders equally follows from applicable corporate legislation.

[Section 5-14](#) of the Securities Trading Act is not applicable to Issuers admitted to trading on Euronext Growth Oslo. However, equal treatment in respect of information of holders of the Issuers' Shares is a prerequisite for the shareholders' opportunity to exercise their rights as shareholders. Reference is made to section 3.15.1.

3.2 GOOD BUSINESS PRACTICE

(1) No-one may employ unreasonable business methods when trading in financial instruments.

(2) Conduct of business rules shall be observed in approaches addressed to the general public or to individuals which contain an offer or encouragement to make an offer to purchase, sell or subscribe for financial instruments or which are otherwise intended to promote trade in financial instruments.

The Rule derives from [section 3-7](#) of the Securities Trading Act.

3.3 CONTACT PERSONS

The Issuer shall at all times have two designated persons who can be contacted by Euronext Oslo Børs. The contact persons shall be contactable without undue delay.

The contact persons must be registered in Euronext Oslo Børs' portal for Issuers, NewsPoint.

3.4 COMPANY INFORMATION IN NEWSPOINT

The Issuer must, no later than the first day of trading, register specified information in Euronext Oslo Børs' electronic portal for Issuers, NewsPoint. In the event of any subsequent changes to the information, the Issuer must ensure that such changes are updated in NewsPoint without delay.

New Issuers on Euronext Growth Oslo are normally granted access to NewsPoint the first business day after the application for admission to trading has been submitted to Euronext Oslo Børs. Information to be registered in NewsPoint includes, among other things, the Issuer's contact details and contact persons, see section 3.3.

3.5 PRIMARY INSIDER REGISTER

An overview of the Issuer's primary insiders and their close associates pursuant to section 3-3 of the Securities Trading Regulations and article 19 no. 5 of [MAR](#), are to be submitted to Euronext Oslo Børs by registering the information in Euronext Oslo Børs' portal for Issuers, NewsPoint.

In addition to the information mentioned in section 3-3 of the Securities Trading Regulations, Issuers must register the e-mail address of such persons in order for Euronext Oslo Børs to be able to notify the persons in question that they have been entered into the register. For minors, the e-mail address shall be that of their guardian.

The Financial Supervisory Authority (Nw. *Finanstilsynet*) is the competent authority in Norway on mandatory notifications of transactions by primary insiders and close associates pursuant to article 19 of MAR.

3.6 INFORMATION TO BE PROVIDED TO EURONEXT OSLO BØRS

Euronext Oslo Børs may demand that Issuers and Management Companies, as well as their respective officers and employees, without any regard to any confidentiality obligation, must provide Euronext Oslo Børs with any information necessary to enable Euronext Oslo Børs to comply with its statutory obligations.

3.7 LEI, CFI AND FISN CODES

(1) In addition to LEI code, cf. Rule 4.1.1 in Rule Book Part I, the Issuer shall at all times have an active CFI and FISN code for as long as its financial instruments are admitted to trading on Euronext Growth Oslo.

(2) The Issuer must submit LEI, CFI and FISN codes to Euronext Oslo Børs (ma@oslobors.no), and any changes thereof, as soon as these are in place or changed, as relevant.

3.8 RECOVERY BOX AND PENALTY BENCH

3.8.1 GENERAL

Allocation of a Security to the Recovery Box and Penalty Bench has no bearing on the Issuer's obligations pursuant to the Rules.

Decisions are made in accordance with the procedural rules set out in section 3.18 (3). A decision to and the rationale for allocating a Security to the Recovery Box or Penalty Bench will be made public on www.newsweb.no shortly after the decision is made by Euronext Oslo Børs. Euronext Oslo Børs will similarly announce a decision to and the rationale for removing a Security from the relevant compartment. This will typically be once the Issuer has published a stock exchange announcement clarifying the situation. In addition, Euronext Oslo Børs publishes a list every Monday of all the Securities that are allocated to the Recovery Box and Penalty Bench.

3.8.2 RECOVERY BOX

(1) Euronext Oslo Børs may decide to allocate a Security to the Recovery Box if the Issuer is subject to circumstances that make pricing of the Securities particularly uncertain.

Below is a non-exhaustive list of circumstances that may result in a Security being allocated to the Recovery Box:

- Restructuring processes
- Non-payment of creditors
- Withdrawal of license to operate
- Material uncertainty regarding ongoing concern
- Matters regarding the external auditor

(2) Euronext Oslo Børs will remove the Security from the Recovery Box and allocate the Security to the

regular compartment when the Issuer, as assessed by Euronext Oslo Børs, is no longer in a situation as described in the first paragraph.

Euronext Oslo Børs' decision cannot be appealed.

3.8.3 PENALTY BENCH

(1) Euronext Oslo Børs may decide to allocate a Security to the Penalty Bench if the Issuer fails to comply with the Rules.

Euronext Oslo Børs will typically decide to allocate a Security to the Penalty Bench if there is an outstanding violation of the Rules, for example where an Issuer does not publicly disclose the annual- or half-yearly report within applicable deadlines.

(2) Euronext Oslo Børs will remove the Security from the Penalty Bench and allocate the Security to the regular compartment when the Issuer, as assessed by Euronext Oslo Børs, is no longer in a situation described in the first paragraph.

Euronext Oslo Børs' decision cannot be appealed.

3.9 DUTY OF DISCLOSURE

In addition to the Rules on disclosure obligations, Issuers on Euronext Oslo Børs, Euronext Expand and Euronext Growth Euronext Oslo are subject to the provisions in the [Market Abuse Regulation \(MAR\)](#). This entails, among other things, that the Issuers are subject to the provisions on disclosure of inside information from the time the Issuer has submitted an application for admission to trading, cf. MAR article 2. The Financial Supervisory Authority of Norway (Nw. *Finanstilsynet*) is the relevant competent authority for disclosure obligations pursuant to MAR in Norway. Further information is available on Finanstilsynet's [websites](#).

3.9.1 [RESERVERT]

3.9.2 [RESERVERT]

3.9.3 [RESERVERT]

3.9.4 [RESERVERT]

3.9.5 DUTY OF PRIOR NOTICE WHEN PUBLICLY DISCLOSING PARTICULARLY PRICE SENSITIVE EVENTS

If the Issuer, at any time during the opening hours of Euronext Growth Oslo, is to publicly disclose information on a take-over bid, a profit warning or other specific matters that must be assumed to have a significant effect on its Share price, the Issuer must contact Euronext Oslo Børs prior to making such public disclosure.

The background for the duty of notification is that Euronext Oslo Børs shall be able to consider whether the trading in the Share shall be suspended in advance of the publication.

The prior notification must be addressed to the Market Surveillance department of Euronext Oslo Børs by telephone at +47 22 34 19 11 (calls are recorded).

Announcements of profit warnings and takeover bids will always trigger a duty of prior notice, and the impact on prices typically associated with such announcements can provide guidance when evaluating

what kind of other information should also trigger this duty. In other words, this duty does not apply to general announcements of a price-sensitive nature, but only to announcements of a significantly price-sensitive character, where the effect on the share price must be assumed to be so considerable that a suspension of the Share should be considered in the best interest of the investor market.

It is noted that the duty to give prior notice will not apply to annual and interim reports except where these are assumed to be particularly price-sensitive in accordance with the criteria mentioned. However, Euronext Oslo Børs recommends that annual and interim reports should be published outside the opening hours of Euronext Growth Oslo. This means that internal processes in respect of the timing of approval of documents etc. should be adapted accordingly.

3.9.6 INFORMATION PUBLICLY DISCLOSED ON OTHER MARKET PLACES

Information that must be disclosed or made public due to admission to trading on other regulated marketplaces, shall be submitted in writing to Euronext Oslo Børs for public disclosure in accordance with section 3.13.1, no later than when the notification is sent to another marketplace or the information is otherwise made public.

3.9.7 PUBLIC DISCLOSURE OF INFORMATION IN SPECIAL CIRCUMSTANCES

If deemed necessary in the interests of investors or the market, Euronext Oslo Børs can demand the Issuer to publicly disclose specific information within the deadlines set by Euronext Oslo Børs.

Equivalent provisions apply to issuers admitted to trading on a stock exchange pursuant to section 13-14 of the Securities Trading Regulation.

3.10 ISSUER EVENTS

(1) The Issuer must immediately disclose:

- 1. Any changes in the rights attached to the Issuer's Shares, including any changes in related financial instruments issued by the Issuer,**
- 2. Proposals and decisions by the board of directors, general meeting or other corporate body on:
 - a) dividends,**
 - b) mergers,**
 - c) demergers,**
 - d) increases or decreases in share capital,**
 - e) authorization to increase the Issuer's share capital, and**
 - f) share splits or reverse splits.****
- 3. Information on allocation and payment of dividends, as well on issuance of Shares, including information on any arrangements for allotment, subscription, cancellation and conversion,**
- 4. Proposals and decisions on the issue of preferential rights to subscribe for Shares and other rights,**
- 5. In the event of an increase in share capital as mentioned in item 2, information shall be given in particular on any underwriting consortium, including the members of the consortium and their guarantee obligations, as well as information on any advance subscription or allotment,**
- 6. Registered change of Issuer name,**
- 7. Registered change in the nominal value of the Issuer's Shares,**
- 8. Decisions on changes to the Issuer's board of directors, chief executive officer, chief financial officer or external auditor, including notice of resignation given by any such person.**

Items 1 and 4 are inspired by equivalent provisions applicable to issuers admitted to trading on regulated markets pursuant to [section 5-8 \(1\)](#) and [section 5-9 \(5\)](#) of the Securities Trading Act.

Regarding item 1: "Related financial instruments" include convertible bonds, subscription rights etc. It is assumed that the duty of disclosure in general applies to derivatives issued by the Issuer regardless of whether they confer the right to acquire the underlying Shares. This interpretation entails that cash-settled derivatives issued by the Issuer are comprised by the duty of disclosure.

Regarding item 2: Euronext Oslo Børs deems the duty to immediately disclose proposals by the board of directors on matters stipulated in item 2 a) through f), to only apply to decisions by the board to propose resolutions to the general meeting/other corporate body, and not proposals within the board that do not result in a decision to propose a resolution to the general meeting/other corporate body.

(2) Announcements about such proposals or decisions as mentioned shall include the information necessary to make it possible to calculate the effect of the action in question, including the date when the share will be traded excluding the rights.

(3) For cash dividends, preferential rights issues, and share splits or reverse splits, as well as repair issues subsequent to private placements, in addition to the announcement mentioned in the second paragraph, a separate announcement containing information about the relevant key dates (ex-date, record date and, where appropriate, payment date, etc.) shall be published as soon as these dates are fixed by the Issuer or tentative dates are communicated externally, and at the latest by the deadlines stipulated in section 3.11. Updated announcements shall be published in the event of changes to these dates up until the final deadline for their publication. The content of such separate announcement is set out in a separate [Notice](#).

(4) Any change of the Issuer's ISIN shall at the latest be published within two Trading Days prior to the effective date and in a separate announcement as set out in a separate [Notice](#).

3.11 CORPORATE ACTIONS

3.11.1 GENERAL

(1) Rule 4.5 in Rule Book Part I shall not apply.

(2) The Issuer shall carry out corporate actions in accordance with section 3.11.2 and 3.11.3, unless there are special grounds for deviating from this. If an Issuer intends to carry out a transaction in a manner that deviates from the procedures as set out, it must consult Euronext Oslo Børs well in advance.

3.11.2 CARRYING OUT CORPORATE ACTIONS

A guide for carrying out corporate actions is available in a separate [Notice](#).

(1) Proposals or decisions on preferential rights issues, payment of cash dividends, share splits or reverse splits shall be designed in such manner that the Share at the earliest can be traded excluding the right in question two Trading Days after the relevant key dates (ex-date, record date and any payment date etc.) are publicly disclosed in a separate announcement and in accordance with the guidelines included in separate [Notice](#). All relevant key dates must be included in the separate announcement.

(2) For other corporate actions that result in shareholders being given rights of commercial value, the

Issuer shall inform Euronext Oslo Børs at the latest five Trading Days prior to whichever is earlier of (i) the Issuer's planned announcement in the market of the timetable for the corporate action, or (ii) the planned ex-date. A proposed timetable shall be provided when Euronext Oslo Børs is notified. Euronext Oslo Børs may set requirements regarding the information that is to be included in the announcement about the corporate action in question and the way in which the announcement shall be designed and published.

(3) For repair issues planned in connection with private placements, the Issuer shall publicly disclose key dates for the repair issue in a separate announcement and in accordance with the guidelines set out in separate [Notice](#), as soon as the repair issue is approved by the Issuer and no later than 09:00 hours on the day the Share is traded excluding the right in question.

The different deadline for announcing ex-dates for repair issues to the market compared to transactions covered by the first paragraph is to avoid that the Share can be traded with a right to participate in the repair issue for a time after the completion of the private placement.

(4) Decisions on corporate actions shall be available before the Share trades excluding the right in question. Rights of commercial value shall accrue to the parties that are shareholders on the last day the Share is traded including the right, unless there are special circumstances that indicate otherwise. This shall apply regardless of whether the party in question is registered as a shareholder in the central securities depository.

The background for the rule is to avoid uncertainty regarding the pricing of a share that can occur when a share is trading excluding the economic right prior to a final decision on granting the right having been made (referred to as a "conditional ex-date").

Euronext Oslo Børs must be consulted in advance if there are special grounds which indicate that the decision on the corporate action has to be taken after the ex-date, cf. section 3.11.1 (2).

A particular type of transaction where there will typically be a "conditional ex-date" is a repair issue following a private placement. As the conditional ex-date for this type of transaction is a relatively established concept, Euronext Oslo Børs considers third paragraph to be exhaustive in relation to the duty to inform Euronext Oslo Børs pursuant to section 3.11.1 (2). As a main rule, there is no obligation to consult Euronext Oslo Børs in such instances in advance.

(5) Euronext Oslo Børs reserves the right to demand that the Issuer makes available further specified documentation by 08:15 hours on the day the Share is traded excluding the right in question.

3.11.3 ANNOUNCEMENT OF EX-DATE

On the first Trading Day the Shares are traded excluding the right in question (ex-date), the Issuer must prior to the opening of the market publish a separate announcement containing relevant information about the transaction pursuant to content requirement set on in separate [Notice](#).

The requirement to publish a separate announcement on ex-date does not apply to repair issues, if the separate announcement about the repair issue is published on the ex-date.

3.11.4 FURTHER PROVISIONS ON THE EXECUTION OF MERGERS, DEMERGERS AND REDUCTIONS IN SHARE CAPITAL THROUGH DISTRIBUTION

(1) A merger, demerger or reduction in share capital by distribution to shareholders shall be executed

outside the trading hours of Euronext Growth Oslo. The first sentence only applies to mergers if the Issuer acquired is admitted to trading on Euronext Growth Oslo.

Such corporate actions must be executed outside the trading hours of Euronext Growth Oslo to avoid creating uncertainty connected to the pricing of shares or uncertainty as to which shares are being traded. Norwegian Issuers must ensure corporate actions are registered with the Register of Business Enterprises. Foreign Issuers must follow the procedures defined by the corporate legislation in their country of registration.

The trading hours of Euronext Growth Oslo are from 09:00 to 16:30 CET.

(2) If the corporate action cannot be executed outside the trading hours of Euronext Growth Oslo, Euronext Oslo Børs will consider the necessity to impose a trading suspension on the Issuer's Shares on the Trading Day on which the action comes into effect.

(3) Norwegian Issuers must send an updated certificate of registration to Euronext Oslo Børs immediately, and in any case no later than 08:15 hours on the first Trading Day after the corporate action is registered as effective.

The updated certificate of registration must be sent to the Market Administration department of Euronext Oslo Børs at ma@oslobors.no.

(4) Foreign Issuers must produce a legal opinion from an independent external attorney addressed to Euronext Oslo Børs which confirms that the corporate action as mentioned in the first paragraph is validly and properly carried out and that the Shares are validly and legally issued, fully paid-up and properly registered with the relevant register or equivalent body, and which states the size of the Issuer's new share capital and the total number of Shares issued. If the Issuer is incorporated in a jurisdiction that issues, as substantiated to Euronext Oslo Børs, a document equivalent to the Issuer registration certificate issued for Norwegian Issuers by the Register of Business Enterprises, Euronext Oslo Børs may consent to such a document covering the matters mentioned being presented instead of a legal opinion from an attorney. The legal opinion, alternatively the document equivalent to the said Issuer registration certificate, shall be sent to Euronext Oslo Børs immediately and in any case no later than 08:15 hours on the first Trading Day after the corporate action has been carried out.

An extract from a register may only be used in situations where documents equivalent to a Norwegian company registration certificate are issued, i.e. which are subject to the same control of legal validity as is carried out by the Norwegian Register of Business Enterprises, and with the same legal effect as the registration of changes to the share capital by Norwegian limited companies. Euronext Oslo Børs has approved that a document mentioned in the last sentence may be accepted for companies registered in Sweden, Denmark and the Faroe Isles.

The legal opinion must be sent to the Market Administration department of Euronext Oslo Børs at ma@oslobors.no.

(5) First to fourth paragraph shall apply to the implementation of other corporate actions that may cause uncertainty as to the pricing of the Issuer's Shares or uncertainty as to which Shares are being traded.

3.11.5 CHANGES IN SHARE CAPITAL

(1) If new Shares are subsequently issued in the same class of Shares as the class that is admitted to trading, the new Shares will automatically be admitted to trading with no application required. Admission to trading shall take place without unnecessary delay following the registration of

the increase in share capital. Euronext Oslo Børs may grant exemptions from the second sentence.

Equivalent provisions apply to issuers admitted to trading on regulated markets pursuant to section 13-3 of the Securities Trading Regulations.

Admission to trading of new Shares in the same share class as already admitted Shares takes place without a decision from Euronext Oslo Børs, and without an application from the Issuer. Such admission takes place automatically when the Shares are validly issued under corporate law, which for Norwegian Issuers is when the share capital increase is registered in the Norwegian Register of Business Enterprises, cf. section 10-10 of the Public Limited Liability Companies Act. To ensure admission to trading without undue delay pursuant to the second sentence, the Issuer must ensure that the conditions and prerequisites for admission to trading are met, including that the Shares are validly issued pursuant to relevant corporate law.

(2) In the case of admission to trading of Shares in the same class of Shares as the class that is already admitted to trading, but where the Shares have rights that differ from those of the Shares already admitted to trading, Euronext Oslo Børs must be notified of this no later than 10 Trading Days before the Shares are planned to be admitted to trading.

Such notification is given by sending a description of the Shares and the different rights which apply, together with further information stipulated by Euronext Oslo Børs, to ma@oslobors.no.

(3) In the event of any change in share capital, in the number of votes or in the number of Shares issued, the Issuer shall immediately make public that the change has been made and the amount of its new share capital and the total number of votes and Shares issued.

Such information is important to the market and ensures that Euronext Oslo Børs' systems are kept up to date. For Norwegian Issuers, such changes are deemed made when they are registered in the Register of Business Enterprises. For foreign Issuers, the time at which the change will be deemed to have been made will be determined by the corporate legislation of Issuer's country of registration.

(4) Before new Shares issued by a foreign Issuer are admitted to trading, the Issuer must not only comply with the requirement set out in the third paragraph but also publicly disclose that the Shares are validly and legally issued and fully paid up.

(5) Euronext Oslo Børs may in special circumstances grant exemptions from the third and fourth paragraphs.

The provision in the fifth paragraph is intended to allow for exceptional exemptions that Euronext Oslo Børs only will permit in restricted circumstances, such as where Issuers are admitted to trading on another market and complies with the relevant rules and regulations of such other market. Euronext Oslo Børs may impose conditions in respect of the number of Shares to which the exemption applies and the timing of public disclosure.

3.12 FINANCIAL REPORTING

3.12.1 GENERAL

(1) Rule 4.2 in Rule Book Part I shall apply with the modifications as set out in this section 3.12.

The requirements to the content of the annual- and half-yearly reports follows from section 4.2.1, 4.2.3 and 4.2.4 in Rule Book Part I, and must be prepared in accordance with the accounting standards set out

in section 2.1.3.2, with such exemptions as set out in Rulebook II section 2.1.3.2. This implies, among other things, that a foreign Issuer which has its registered office in another EEA-state, as a main rule can use the accounting standard in this state without further assessment by Euronext Oslo Børs, provided that these are prepared in accordance with acceptable accounting standards as set out in Rulebook II section 2.1.3.2.

Where the Issuer has its registered office in a country outside the EEA, it must as a main rule also prepare an IFRS reconciliation table if using applicable national accounting standards (that are not considered equivalent to IFRS) in the country of its registered office, cf. section 2.1.3.2.

Please note that the Issuer is obliged to present certain information about related party transactions in its annual- and half-yearly reports pursuant to section 4.2.3 of Rule Book Part I.

(2) Where the Issuer is a parent company, the annual report and the half-yearly report must be issued on a consolidated basis.

Reference is made to the guidance to Rulebook II section 2.1.3.2 with regards to consolidated financial accounts.

(3) Without prejudice to the national regulations applicable to the Issuer regarding the accounting standards, the financial statements published by the Issuer must be established in accordance with Rule 2.1.3.2.

If the Issuer has applied accounting standards for small enterprises and the Issuer was admitted to trading before 1 October 2023, the Issuer may use accounting standards for small enterprises for the accounting period of 2023. Thereafter the Issuer must comply with the third paragraph for accounting periods starting no later than 1 January 2024.

Issuers admitted to trading on 1 October 2023 or later cannot apply accounting standards for small enterprises for accounting period 2023 or later.

If the Issuer as part of application to be admitted to trading was granted an exception in accordance with Rule 2.1.3.2 (ii) (4) and the Issuer wishes to apply similar exemption for financial statements to be published in accordance with Rule 3.12, the Issuer must well in advance of the start of each annual accounting period apply for an exemption. Only Issuers that have been granted exemption as part of the process of being admitted to trading, may apply for exemption for the following accounting periods. Euronext Oslo Børs will on a general basis apply a restrictive practice for granting exemptions.

3.12.2 PUBLIC DISCLOSURE OF THE ANNUAL REPORT

The annual report shall be made public as soon as possible after the end of the financial year, and no later than five months thereafter. The annual report shall be made available immediately after it is approved by the board or other equivalent body.

As such, Euronext Oslo Børs recommends that Issuers admitted to trading on Euronext Growth Oslo hold board meetings and approve annual and half-yearly interim reports outside of trading hours, to have time to carry out essential changes that may be required as a result of the board's consideration of the report. Publication should also be outside of trading hours. Presentations of the Issuer's financial reports can only be given once the report has been published, and Euronext Oslo Børs recommends that such presentations are published no later than at the same time as the presentation is given.

3.12.3 PUBLIC DISCLOSURE OF THE HALF-YEARLY REPORT

(1) Half-yearly interim reports shall be made public as soon as possible after the end of the first six months, and no later than three months thereafter.

Euronext Oslo Børs' [Code of Practice for IR](#) is prepared for issuers admitted to trading on Euronext Oslo Børs or Euronext Expand, but can be a source of guidance relevant to Issuers admitted to trading on Euronext Growth Oslo.

(2) Issuers that prepare interim reports in addition to annual and half-yearly interim reports shall make them public in accordance with section 3.13.

3.12.4 INFORMATION SUPPLEMENTARY TO ANNUAL FINANCIAL STATEMENTS, ANNUAL MANAGEMENT REPORTS AND INTERIM REPORTS

(1) If the interim report has been audited or reviewed by auditors, the Issuer shall make the audit or review public as soon as it is available.

(2) Where the auditor finds that the financial statements should not be approved as they stand, or the auditor has made comments, clarifications or audit reservations in the audit report, this shall be made public as soon as the audit report is received by the Issuer.

3.12.5 EXEMPTIONS

Euronext Oslo Børs may, in whole or in part, grant exemptions from sections 3.12.1 to 3.12.4 if there are special grounds in favour of granting such exemption.

3.12.6 FINANCIAL CALENDAR

(1) The Issuer shall, no later than by the close of the year, publish a financial calendar disclosing the dates planned for the publication of its annual report, half-yearly report, interim report and for the annual general meeting in the following year.

(2) If there are any subsequent changes to these dates, the Issuer shall immediately announce each such change.

(3) The Issuer shall publish its financial calendar using the "Financial Calendar" functionality in NewsPoint.

3.13 PROCEDURES FOR PUBLICATION OF INFORMATION

3.13.1 PUBLIC DISCLOSURE

(1) Rule 4.1.3 in Rule Book Part I shall not apply.

(2) Information that must be made public pursuant to the Rules or pursuant to law, as well as press releases and other information not subject to the duty of disclosure, must be made public in accordance with the requirements of section 5-12 of the Securities Trading Act and section 5-9 of the Securities Regulations. It shall be clearly stated that the information is subject to a duty of disclosure pursuant to Section 5-12 of the Securities Trading Act or pursuant to the Rules.

The provisions on disclosure of information in sections 5-12 of the Securities Trading Act and 5-9 of the Securities Trading Regulations apply to issuers admitted to trading on regulated markets, and are given effect for Issuers admitted to trading on Euronext Growth Oslo.

(3) The Issuer shall provide Euronext Oslo Børs with copies of all information that the Issuer is required to publicly disclose pursuant to applicable legislation or the Rules, including primary insider notifications received pursuant to article 19 of MAR. Copies of the information shall be sent electronically to Euronext Oslo Børs (NewsWeb) simultaneously with the public disclosure of the information. Appendices to announcements, such as annual reports, half-yearly interim reports and notices of general meeting etc., must be in PDF format.

3.13.2 LANGUAGE TO BE USED

(1) The Issuer shall disclose information in English, Norwegian, Swedish or Danish.

(2) The Issuer shall disclose any decision to change its reporting language.

3.14 PUBLICATION OF PROSPECTUS

The Norwegian Financial Supervisory Authority (Nw. *Finanstilsynet*) is the competent prospectus authority in Norway and is responsible for the operative control and approval of EEA prospectuses for public offers of transferable securities directed towards the Norwegian market and listing of transferable securities on Norwegian regulated markets. Further information is available [here](#).

(1) No later than 08:00 hours on the day the offer period starts, the Issuer must publicly disclose that the EEA prospectus has been approved, and if relevant passported to Norway, and state where it is available. The same deadline shall apply for the publication of documents that meet the requirements for exemption from the duty to prepare a prospectus ("equivalent document").

(2) National prospectuses must be published prior to the start of the Public Offer period.

(3) The Issuer shall without undue delay following the approval of a supplement to a prospectus publicly disclose that such document has been approved, and if relevant passported to Norway, and state where it is available.

3.15 INFORMATION TO SHAREHOLDERS AND GENERAL MEETINGS

3.15.1 GENERAL

The Issuer shall facilitate that the shareholders are able to exercise their rights.

A prerequisite to exercise rights as a shareholder is equal treatment in respect of information from the Issuers. Reference is made to the guidance to section 3.1.

3.15.2 INFORMATION TO SHAREHOLDERS

Any notice, document or other information sent to shareholders should be made public no later than the time at which such notice is distributed.

This provision is not restricted to notices that are sent to all shareholders. Any notice sent to a substantial number of shareholders, e.g. all shareholders residing in Norway, must be made public in accordance with

this provision.

3.15.3 NOTICE OF GENERAL MEETINGS

In the case of Issuers of equity certificates, the provisions in respect of the general meeting shall apply to the meeting of the committee of representatives and the election meeting to the extent they are applicable.

(1) The Issuer must give notice of general meetings in writing to all shareholders with known addresses. The notice of a general meeting must be distributed sufficiently in advance of the meeting so that shareholders have the opportunity to attend the meeting and exercise their voting rights.

(2) The Issuer must publish the notice calling a general meeting together with any attachments. The Issuer must also publish documents relating to the items that will be considered at the general meeting. This also applies to documents that must be included in or attached to the notice calling a general meeting. Such publication shall be carried out as soon as the documents are made available to the Issuer's shareholders.

The documents to be published pursuant to the second and third sentences are the ones the Issuer must make available to its shareholders in connection with the general meeting. The basis for which documents this includes are provided by corporate legislation and the Issuers' articles of association.

The fourth sentence means that if documents are made available prior to the notice of the meeting being published, these must be published as soon as they are made available to shareholders. Examples are merger plans or demerger plans pursuant to sections 13-12 (1) (merger plan) and 14-4 (3), cf. 13-12 (1) (demerger plan) of the Private Limited Companies Act/Public Limited Liability Companies Act.

(3) The Issuer shall in the notice calling the general meeting state the number of Shares and voting rights, as well as provide information on the shareholders' rights.

Equivalent provisions apply to issuers admitted to trading on regulated markets pursuant to [section 3-7](#) of the Securities Trading Act.

(4) The Issuer shall append a proxy voting form to the notice of the meeting unless such form is available to shareholders on the Issuer's website and the notice calling the meeting includes the information that shareholders need to access the documents, including the internet address.

Equivalent provisions apply to issuers admitted to trading on regulated markets pursuant to [section 5-9 \(3\)](#) of the Securities Trading Act.

3.15.4 THE RIGHT OF EURONEXT OSLO BØRS TO ATTEND THE GENERAL MEETING

Euronext Oslo Børs shall be entitled to attend and to speak at the Issuer's general meeting.

3.15.5 RESULT OF GENERAL MEETING

Following a general meeting, the Issuer shall immediately announce that the general meeting has been held. If any resolution passed by the general meeting differs from the resolutions proposed by the board of directors made public in accordance with section 3.15.3, this must be stated.

3.16 CONTINUED TRADING IN THE EVENT OF MERGER, DEMERGER AND OTHER

MATERIAL CHANGES

(1) Rule 3.2.2 in Rule Book Part I shall not apply.

(2) If the Issuer participates in a merger, demerger, or other activities that entail material changes in the Issuer, the Issuer shall send a report to Euronext Oslo Børs that inter alia provides an account on whether the Issuer, or the relevant merged, acquiring or transferring company, satisfies the requirements for admission to trading. Further Rules, procedures and deadlines applicable to continued admission to trading following mergers, demergers or other material changes, including relevant indicators of size for the materiality assessment, are set out in a separate Notice 3.16.

3.17 REMOVAL FROM TRADING AND SANCTIONS

An important objective for Euronext Growth Oslo is to protect and maintain the integrity of the securities market and investors' confidence in the market. Issuers and Members are subject to the Rules for Euronext Growth Oslo and to the relevant legislation and regulations issued pursuant to legislation. In a situation where a Member or an Issuer is subject to disciplinary action due to a breach of trading rules or the continuing obligations, the case may be subject to investigation by Euronext Oslo Børs and the imposition of sanctions.

Investors are similarly subject to the rules of conduct in the Securities Trading Act and related regulations that apply to financial instruments traded on an MTF. Euronext Oslo Børs monitors transactions with a view to identifying breaches of the relevant laws and rules. In the event of suspicion of violations, Euronext Oslo Børs is obliged to report the matter to the Norwegian Financial Supervisory Authority (Nw. *Finanstilsynet*).

3.17.1 GENERAL

Chapter 5 and 7 in Rule Book Part I shall not apply.

3.17.2 REMOVAL FROM TRADING

(1) Euronext Oslo Børs may remove financial instruments issued by the Issuer from trading if they no longer satisfy the rules or conditions for Euronext Growth Oslo, unless such removal would be likely to cause significant detriment to the investors' interests or the facility's tasks and functioning, cf. [section 9-30 \(1\)](#) of the Securities Trading Act.

(2) An Issuer may apply to Euronext Oslo Børs to have its Shares removed from trading on Euronext Growth Oslo if a general meeting has passed a resolution to this effect with the same majority as required for changes to its articles of association. However, for Issuers that have been admitted to trading or approved for admission to trading on another recognised marketplace, it is possible to be removed from trading upon application by the Issuer without the matter having to be considered at a general meeting. It is Euronext Oslo Børs that decides whether to remove an Issuer from trading. Euronext Oslo Børs may in special circumstances grant an exemption from the first sentence.

The fact that that it is possible for Issuers that have been admitted to trading on another recognised marketplace to be removed from trading upon application by the Issuer, and without the matter having to be considered at a general meeting, means that applications for removal from trading will be more readily approved for Euronext Growth Oslo than for Euronext Oslo Børs and Euronext Expand.

The provisions on removal from trading from an MTF in the [Securities Trading Act](#) implement article 32 of MiFID II. Decisions on removal from trading are made in accordance with the procedures set out in section 3.18 (4).

3.17.3 [RESERVED]

3.17.4 SANCTIONS

(1) In case of violations of section 3.2, 3.6, 3.9.5 to 3.11.5, 3.12.1 (3), 3.12.2 to 3.12.4, 3.13.1, 3.15.1 to 3.15.3 and 3.15.5, Euronext Oslo Børs may point out the matter by giving public criticism.

(2) In case of a material or repeated violations of the sections mentioned in the first paragraph, Euronext Oslo Børs may resolve to impose a violation charge payable to Euronext Oslo Børs. The violation charge imposed on an Issuer may not exceed NOK 1,000,000 for each violation that may be sanctioned with a violation charge. When deciding the size of the charge, Euronext Oslo Børs will attach importance to the Issuer's market capitalization and financial condition, as well as to the seriousness of the breach and its character in general.

Decisions are made in accordance with the procedures set out in section 3.18.

3.18 ADMINISTRATION BY EURONEXT OSLO BØRS

(1) Unless otherwise is stated in this section, decisions by Euronext Oslo Børs are made in accordance with the following general procedural rules:

- 1. Before a decision is made, the Issuer to whom it applies shall be informed of the relevant circumstances and given an opportunity to express its views. Euronext Oslo Børs shall set a deadline for submitting such a statement.**
- 2. Parties to the decision may be granted access to information significant for the decision, provided that such access is neither detrimental to others nor in conflict with applicable legislation.**
- 3. The reasoning for decisions shall be provided at the same time as the decision is made. If a decision is subject to appeal, information on the right to appeal, the appeal deadline, and the appeal procedure shall be provided.**

To item 1: With respect to decisions on admission to trading or continued trading of the Issuer, the duty to inform the Issuer is considered fulfilled through the prior communication with the Issuer in connection with the admission.

(2) The first paragraph does not apply to decisions on suspension from trading.

(3) The first paragraph does not apply to decisions made by Euronext Oslo Børs on the allocation of Securities in Recovery Box or Penalty Bench pursuant to section 3.8. Such decisions shall be made pursuant to the following procedural rules:

- 1. Before a decision is made, the Issuer shall if possible be informed and be given the opportunity to express its views.**
- 2. Euronext Oslo Børs shall without undue delay publish a decision to allocate or remove a**

Security from the Recovery Box or Penalty Bench. Where possible, the reason for allocating a Security in the Recovery Box and Penalty Bench shall be provided upon publication.

(4) In addition to the rules in the first paragraph, with respect to decisions made by Euronext Oslo Børs regarding removal from trading of Issuers pursuant to section 3.17.2, the following applies:

1. Before a decision on removal from trading is made, the question of removal and which measures, if any, that could be implemented to avoid removal shall be discussed with the Issuer. If the circumstance that justifies removal from trading can be rectified, Euronext Oslo Børs may set a deadline for the Issuer to rectify the circumstance or to draw up a plan to re-satisfy the requirements. Concurrently, the Issuer shall be notified that if the circumstance is not rectified or a satisfactory plan is not presented by the expiry of the deadline, a removal of the Issuer will be considered.
2. Parties to the decision shall be granted access to information that is significant for the decision, unless such access is detrimental to others or in conflict with relevant legislation. Others with a right to appeal may upon request be granted access to information that is significant for the decision.
3. The decision to remove from trading shall state the date on which the removal will be implemented. When fixing the date for removal, consideration shall be given inter alia to allow the Issuer a reasonable period to adjust to the fact that its Shares no longer will be admitted to trading. Euronext Oslo Børs shall immediately publish a decision on removal from trading, and inform Finanstilsynet of such decision.
4. If Financial Instruments are removed from trading based on an application from the Issuer, the delisting decision may set further conditions that must be fulfilled before the removal is implemented.

(5) In addition to the rules in the first paragraph, with respect to decisions made by Euronext Oslo Børs to impose violation charges upon Issuers pursuant to section 3.17.4 second paragraph, the following applies:

1. Before a decision is made, the Issuer shall be informed that the imposition of a violation charge is under consideration and the circumstances on which it is based. The Issuer shall have at least one week to present its views before Euronext Oslo Børs reaches a decision.
2. An Issuer upon which a violation charge is imposed shall receive a written notification of the decision along with its reasoning.
3. The decision and its reasoning shall be published by Euronext Oslo Børs, unless special circumstances dictate otherwise.

3.19 EURONEXT OSLO BØRS APPEALS COMMITTEE

(1) Decisions made by Euronext Oslo Børs regarding admission to trading or continued admission to trading on Euronext Growth Oslo, removal of Shares pursuant to section 3.17.2, and imposition of a violation charge pursuant to section 3.17.4 second paragraph, can be appealed to Euronext Oslo Børs' appeals committee.

(2) The decisions mentioned in the first paragraph may be appealed by a party to the decision or others with a legal interest in the appeal (Nw. *rettslig klageinteresse*).

(3) The appeals must be submitted to Euronext Oslo Børs no later than two weeks after the decision is made, following which Euronext Oslo Børs will notify the appeals committee. Decisions made by the appeals committee are public, unless the information is deemed to constitute trade secrets or to be

subject to a duty of confidentiality.

(4) The appeals committee may assess all aspects of the appealed decision. However, in cases concerning violation charges under section 3.17.4 second paragraph, the appeals committee's authority is limited to either upholding Euronext Oslo Børs' decision or amending it in favour of the appellant. The appeals committee cannot overturn Euronext Oslo Børs' decision on its own initiative.

(5) If an appeal is not upheld, the appellant shall bear the cost related to remuneration of the appeal committee members and the secretariat, as well as other expenses incurred in connection with the appeal process. If the appeal concerns a dispute between two or more parties, these costs shall be covered by the party or parties whose position is not upheld in the appeals committee's decision.

Other expenses that may typically incur in connection with the appeal process include travel expenses to or from meetings for the committee members. The parties' expenses, such as legal counsel, cannot be claimed under the Rules.

(6) Euronext Oslo Børs has set out detailed rules on the appeals committee's procedures, including the composition and functioning of the committee, appointment of members, and case processing, in a separate Notice.

3.20 PUBLICATION OF STATEMENTS AND DECISIONS OF EURONEXT OSLO BØRS

(1) Euronext Oslo Børs may publish all statements and guidelines, documents and other communications, as well as its own decisions and decisions made by Euronext Oslo Børs' appeals committee, except for information that is subject to statutory confidentiality.

(2) When publishing information as mentioned in the first paragraph, Euronext Oslo Børs may, upon request, exclude specific details related to personal or business-sensitive matters. Requests for such exclusion must include a specific justification for each piece of information concerned.

Exemptions from the publication of business-sensitive information are intended for situations where disclosure could be detrimental to the affected party, such as in cases involving competitively sensitive information. Requests for exemption due to convenience considerations will not be deemed sufficient.

(3) Euronext Oslo Børs' decision to publish or exclude specific information from publication cannot be appealed.

4. MEMBERSHIP AND TRADING RULES

4.1 MEMBERSHIP

Rule Book Part I section 6.1.1 shall apply unless a Member, as defined in Rule Book Part I section 1.1, has expressly reserved itself against such automatic membership on Euronext Growth.

In addition, each Euronext Growth Market has non-harmonised rules, which are set out in this Rule Book Part II and in separate Notices. This entails that the Harmonized Rules apply with the modifications and additions set out in this Rule Book Part II Chapter 4 for Euronext Growth Oslo.
