

Virtualware lists on Euronext Growth

Market capitalisation: €36.8 million

7th Spanish company to join Euronext Growth

Paris – 19 June 2025 – Euronext today congratulates Virtualware, a pioneer in 3D enterprise software, on its transfer from Euronext Access Paris to Euronext Growth (ticker: ALVIR).

With more than two decades' experience crafting enterprise solutions, Virtualware equips organisations and institutions with real time 3D (RT3D) solutions designed to facilitate the adoption of technologies like XR, digital twins and advanced simulators.

The company's products, which include VIR00 and Simumatik, are intended to support decision-making and improve efficiency across the energy, auto, transport, defence, manufacturing, education and health sectors, among others. These solutions optimise training, engineering and operation, enhancing competitiveness and helping to build a more sustainable future.

Virtualware began trading on Euronext Growth on 19 June 2025. The company was first listed on Euronext Access Paris on 20 April 2023 with a market capitalisation of €27.3 million. Since its listing in 2023, the market capitalisation of Virtualware has increased to €36.8 million, up 35%.

Over the past two years, Virtualware has achieved steady and consistent growth, completing major partnerships and acquisitions.

Virtualware CEO Unai Extreño said: "This transfer to Euronext Growth Paris will allow us to reinforce our liquidity commitment to the market. We are convinced, two years after listing in Paris, that the company will continue to grow in terms of both investor interest and clients."

About Virtualware

With more than two decades of expertise in building enterprise solutions globally, Virtualware is a world leader in 3D-driven enterprise software. The company delivers a professional and practical approach to real-time 3D by providing companies and institutions with the tools and support they need to grow, strengthen, and accelerate their adoption of advanced visualization and simulation technologies, including XR, digital twin and virtual commissioning.

About Euronext

Euronext is the leading European capital market infrastructure, covering the entire capital markets value chain, from listing, trading, clearing, settlement and custody, to solutions for issuers and investors. Euronext runs MTS, one of Europe's leading electronic fixed income trading markets, and Nord Pool, the European power market. Euronext also provides clearing and settlement services through Euronext Clearing and its Euronext Securities CSDs in Denmark, Italy, Norway and Portugal.

As of March 2025, Euronext's regulated exchanges in Belgium, France, Ireland, Italy, the Netherlands, Norway and Portugal host nearly 1,800 listed issuers with €6.3 trillion in market capitalisation, a strong blue-chip franchise and the largest global centre for debt and fund listings. With a diverse domestic and international client base, Euronext handles 25% of European lit equity trading. Its products include equities, FX, ETFs, bonds, derivatives, commodities and indices.
